THERMAL, CA 1981 VOLUME 43

COACHELLA VALLEY HIGH SCHOOL

ARABS . . . LOOKING GOOD!

Located in the beautiful Coachella Valley, C.V. High School is compromised of a multi-talented, many faceted student body.

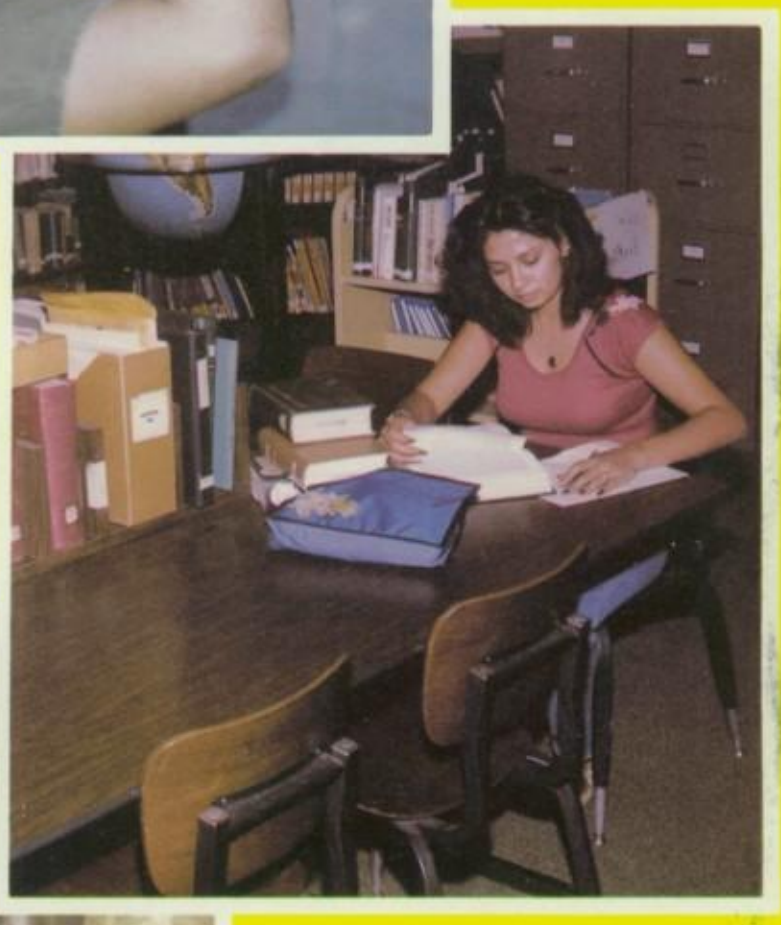
Though predominantly Mexican-American, Coachella Valley High School's population provides a varied cultural background. The many faces of **ARAB**athletes, artists, scholars, and teachers exemplify the theme of the 1981 La Conchilla----------**LOOKING GOOD!!!**

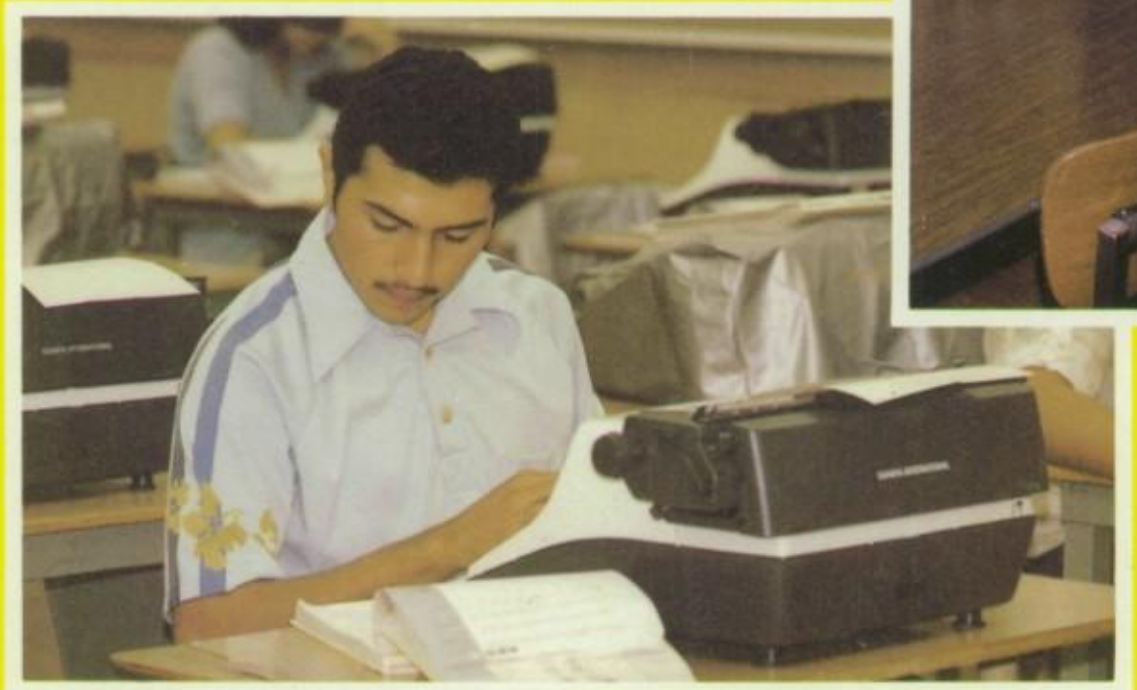
ARABS LEARNING

At C.V., learning takes place not only in the classroom, but in the auto-body shop, the print shop, the art room, the library, and the Regional Occupational Program as well.

ARAB students are expanding and improving their talents in drawing, painting, and ceramics, and they're preparing for the future by learning trades. There is also the ARAB who "burns the midnight oil" for higher grades in college-prep classes such as physics, calculus, of humanities.

Whether they're studying toward a vocation, or taking the S.A.T., C.V. ARABS are LOOKING GOOD!





COMPETITIVE ARABS

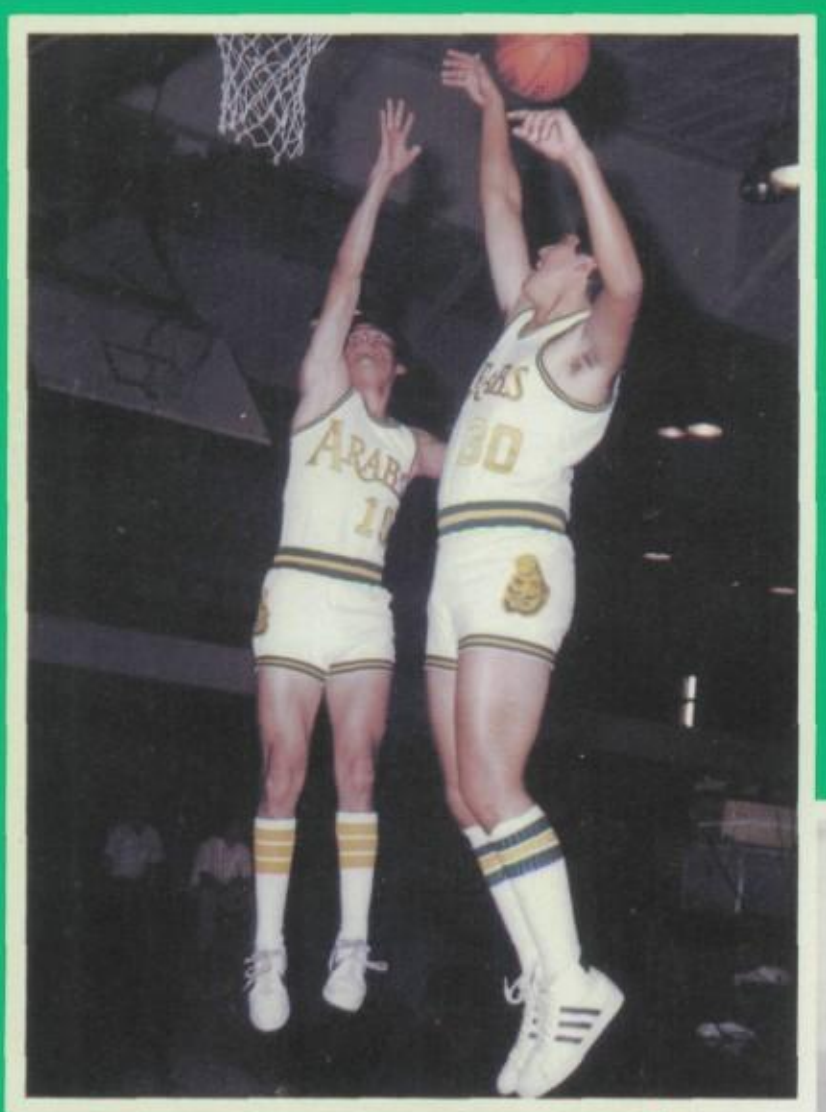
From wrestling to basketball to gymnastics to class competitions, **ARABS** are the most fierce competitors to be found.

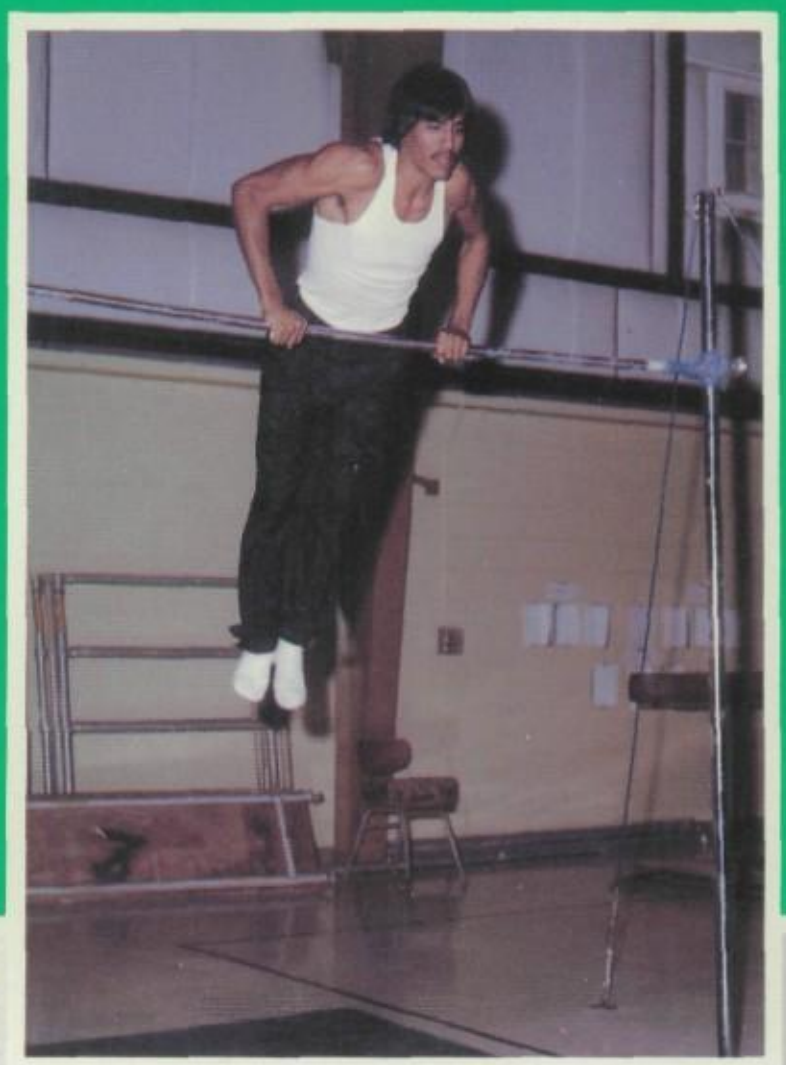
The assertiveness of the **ARAB** athlete is directly derived from the ever-present **ARAB PRIDE.**

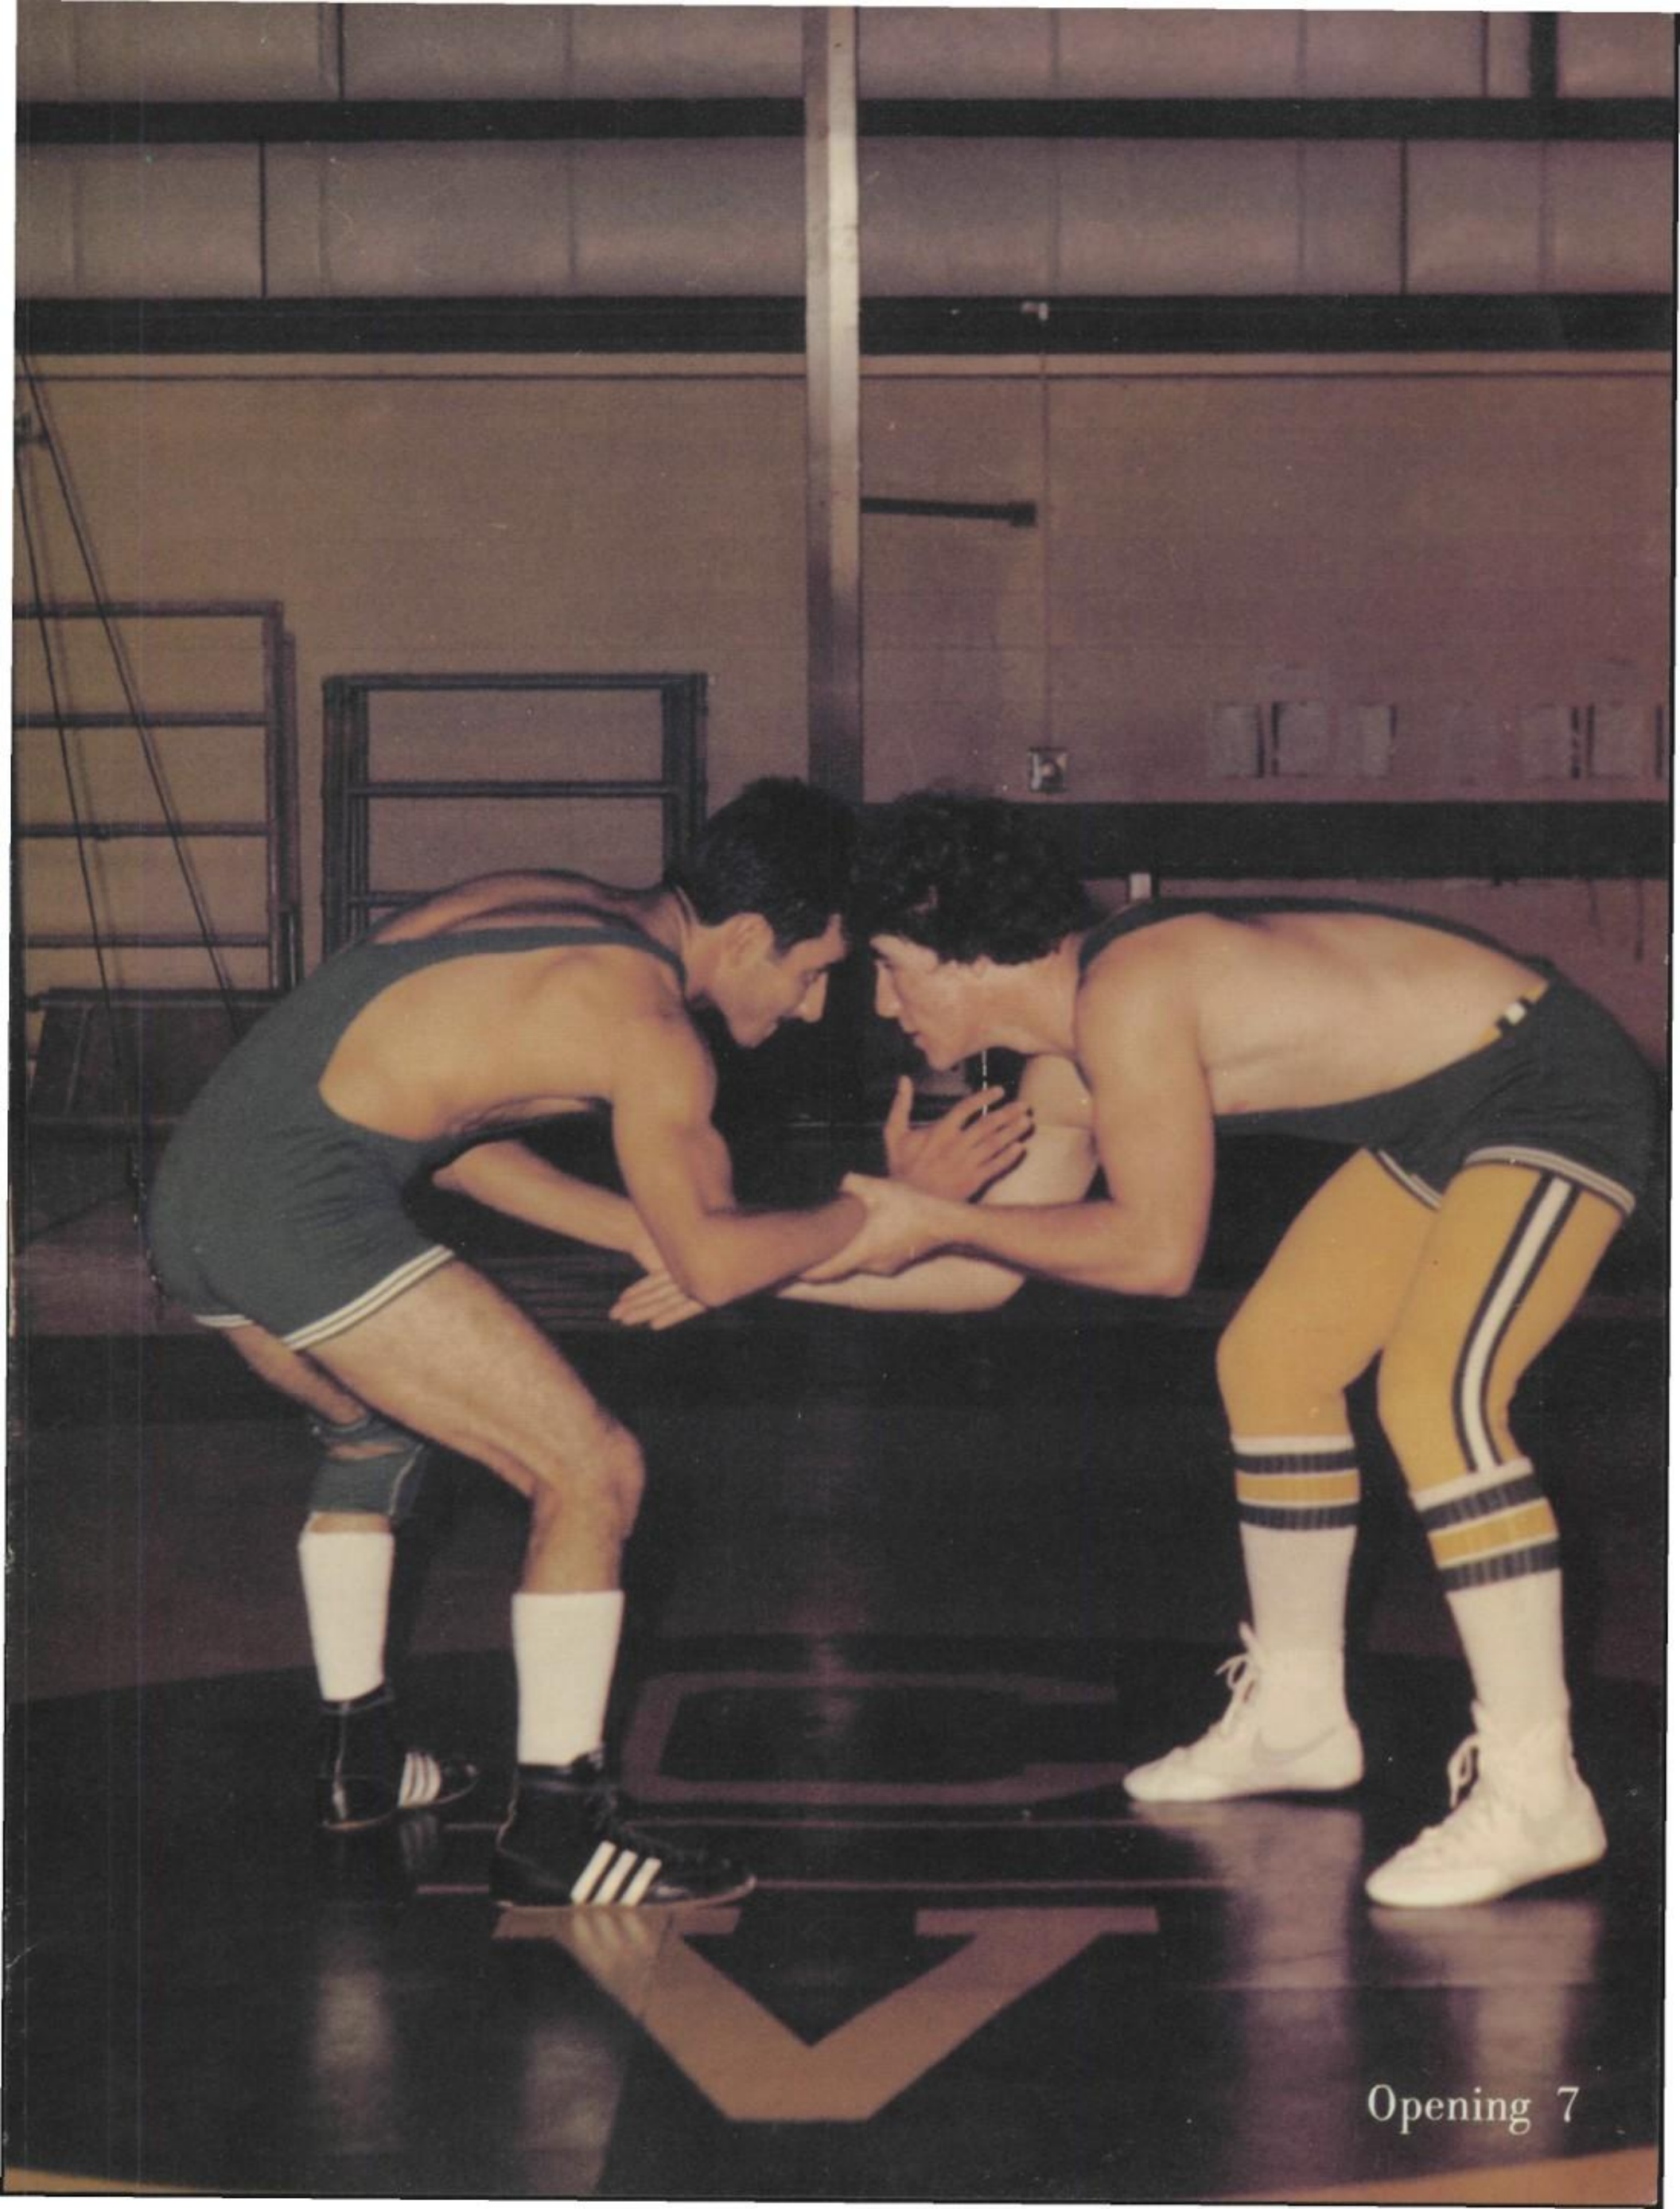
Competition exists not only between schools, but among fellow **ARABS** as well.

Especially evident in individual sports such as wrestling and gymnastics where only the best can compete, **ARABS** can be found "going for it."

Whether it is in the gym, on the playing field or in the classroom, **COMPETITIVE ARABS** will be **LOOKING GOOD.**



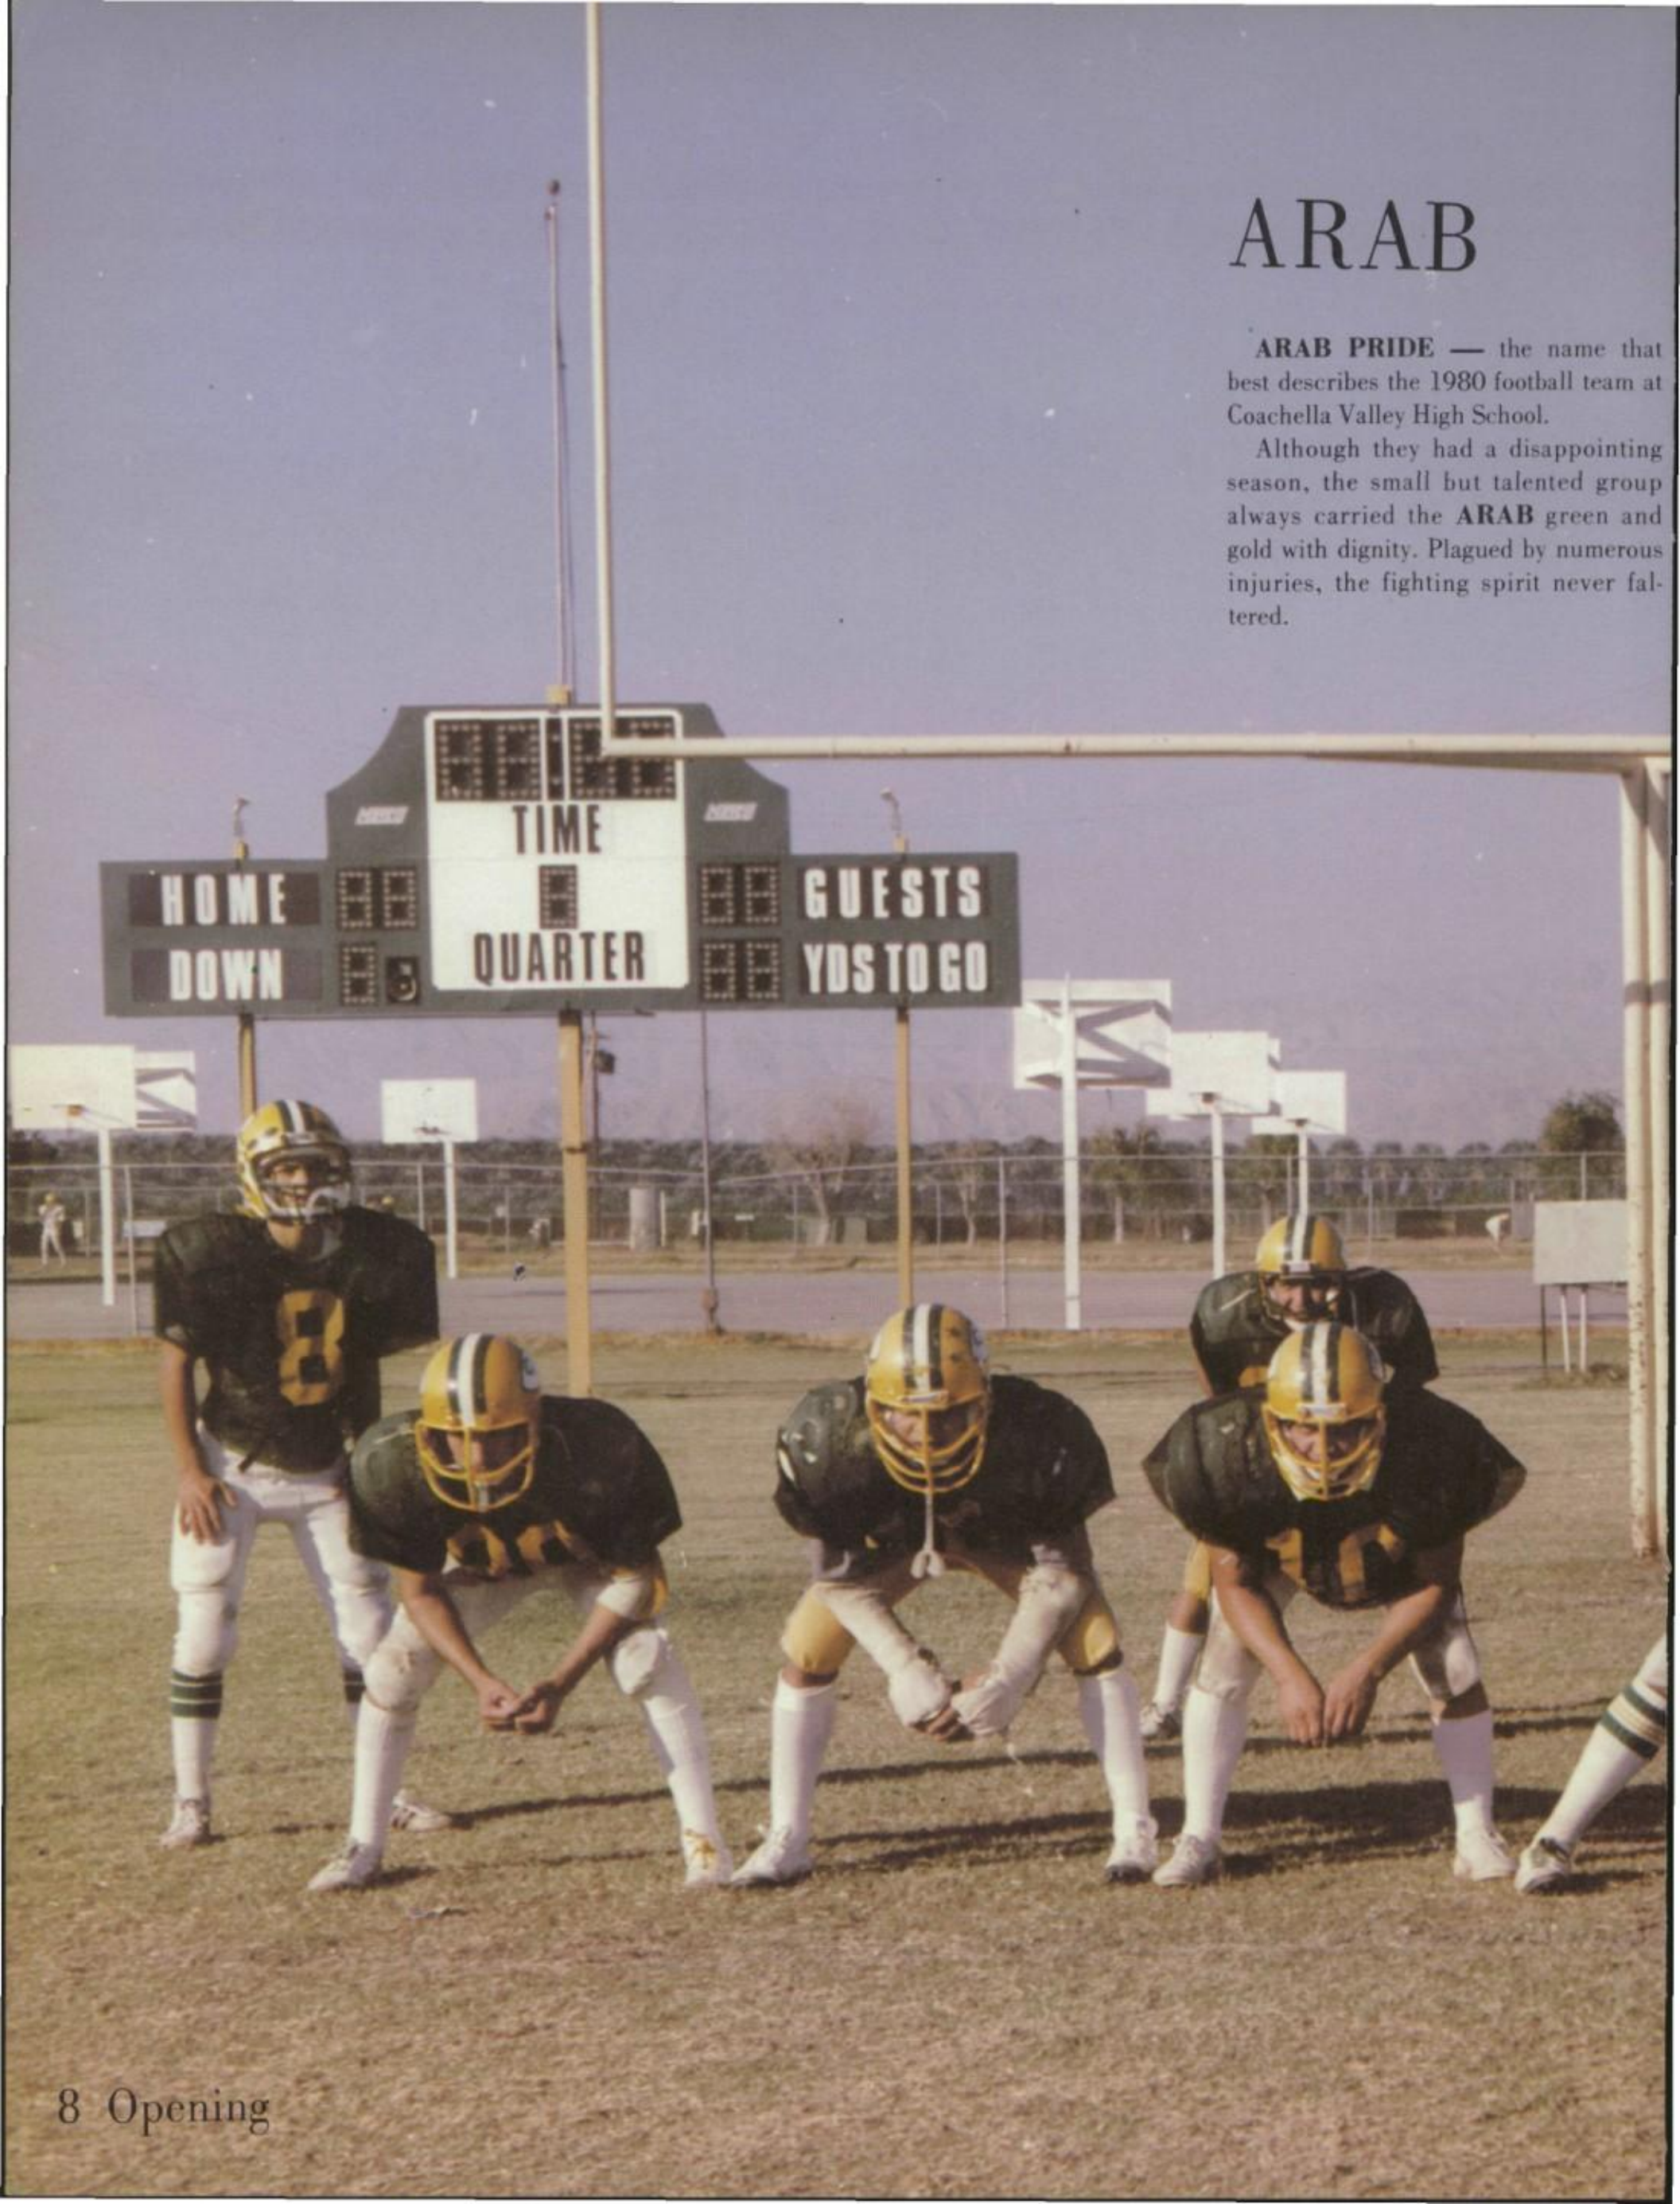




ARAB

ARAB PRIDE — the name that best describes the 1980 football team at Coachella Valley High School.

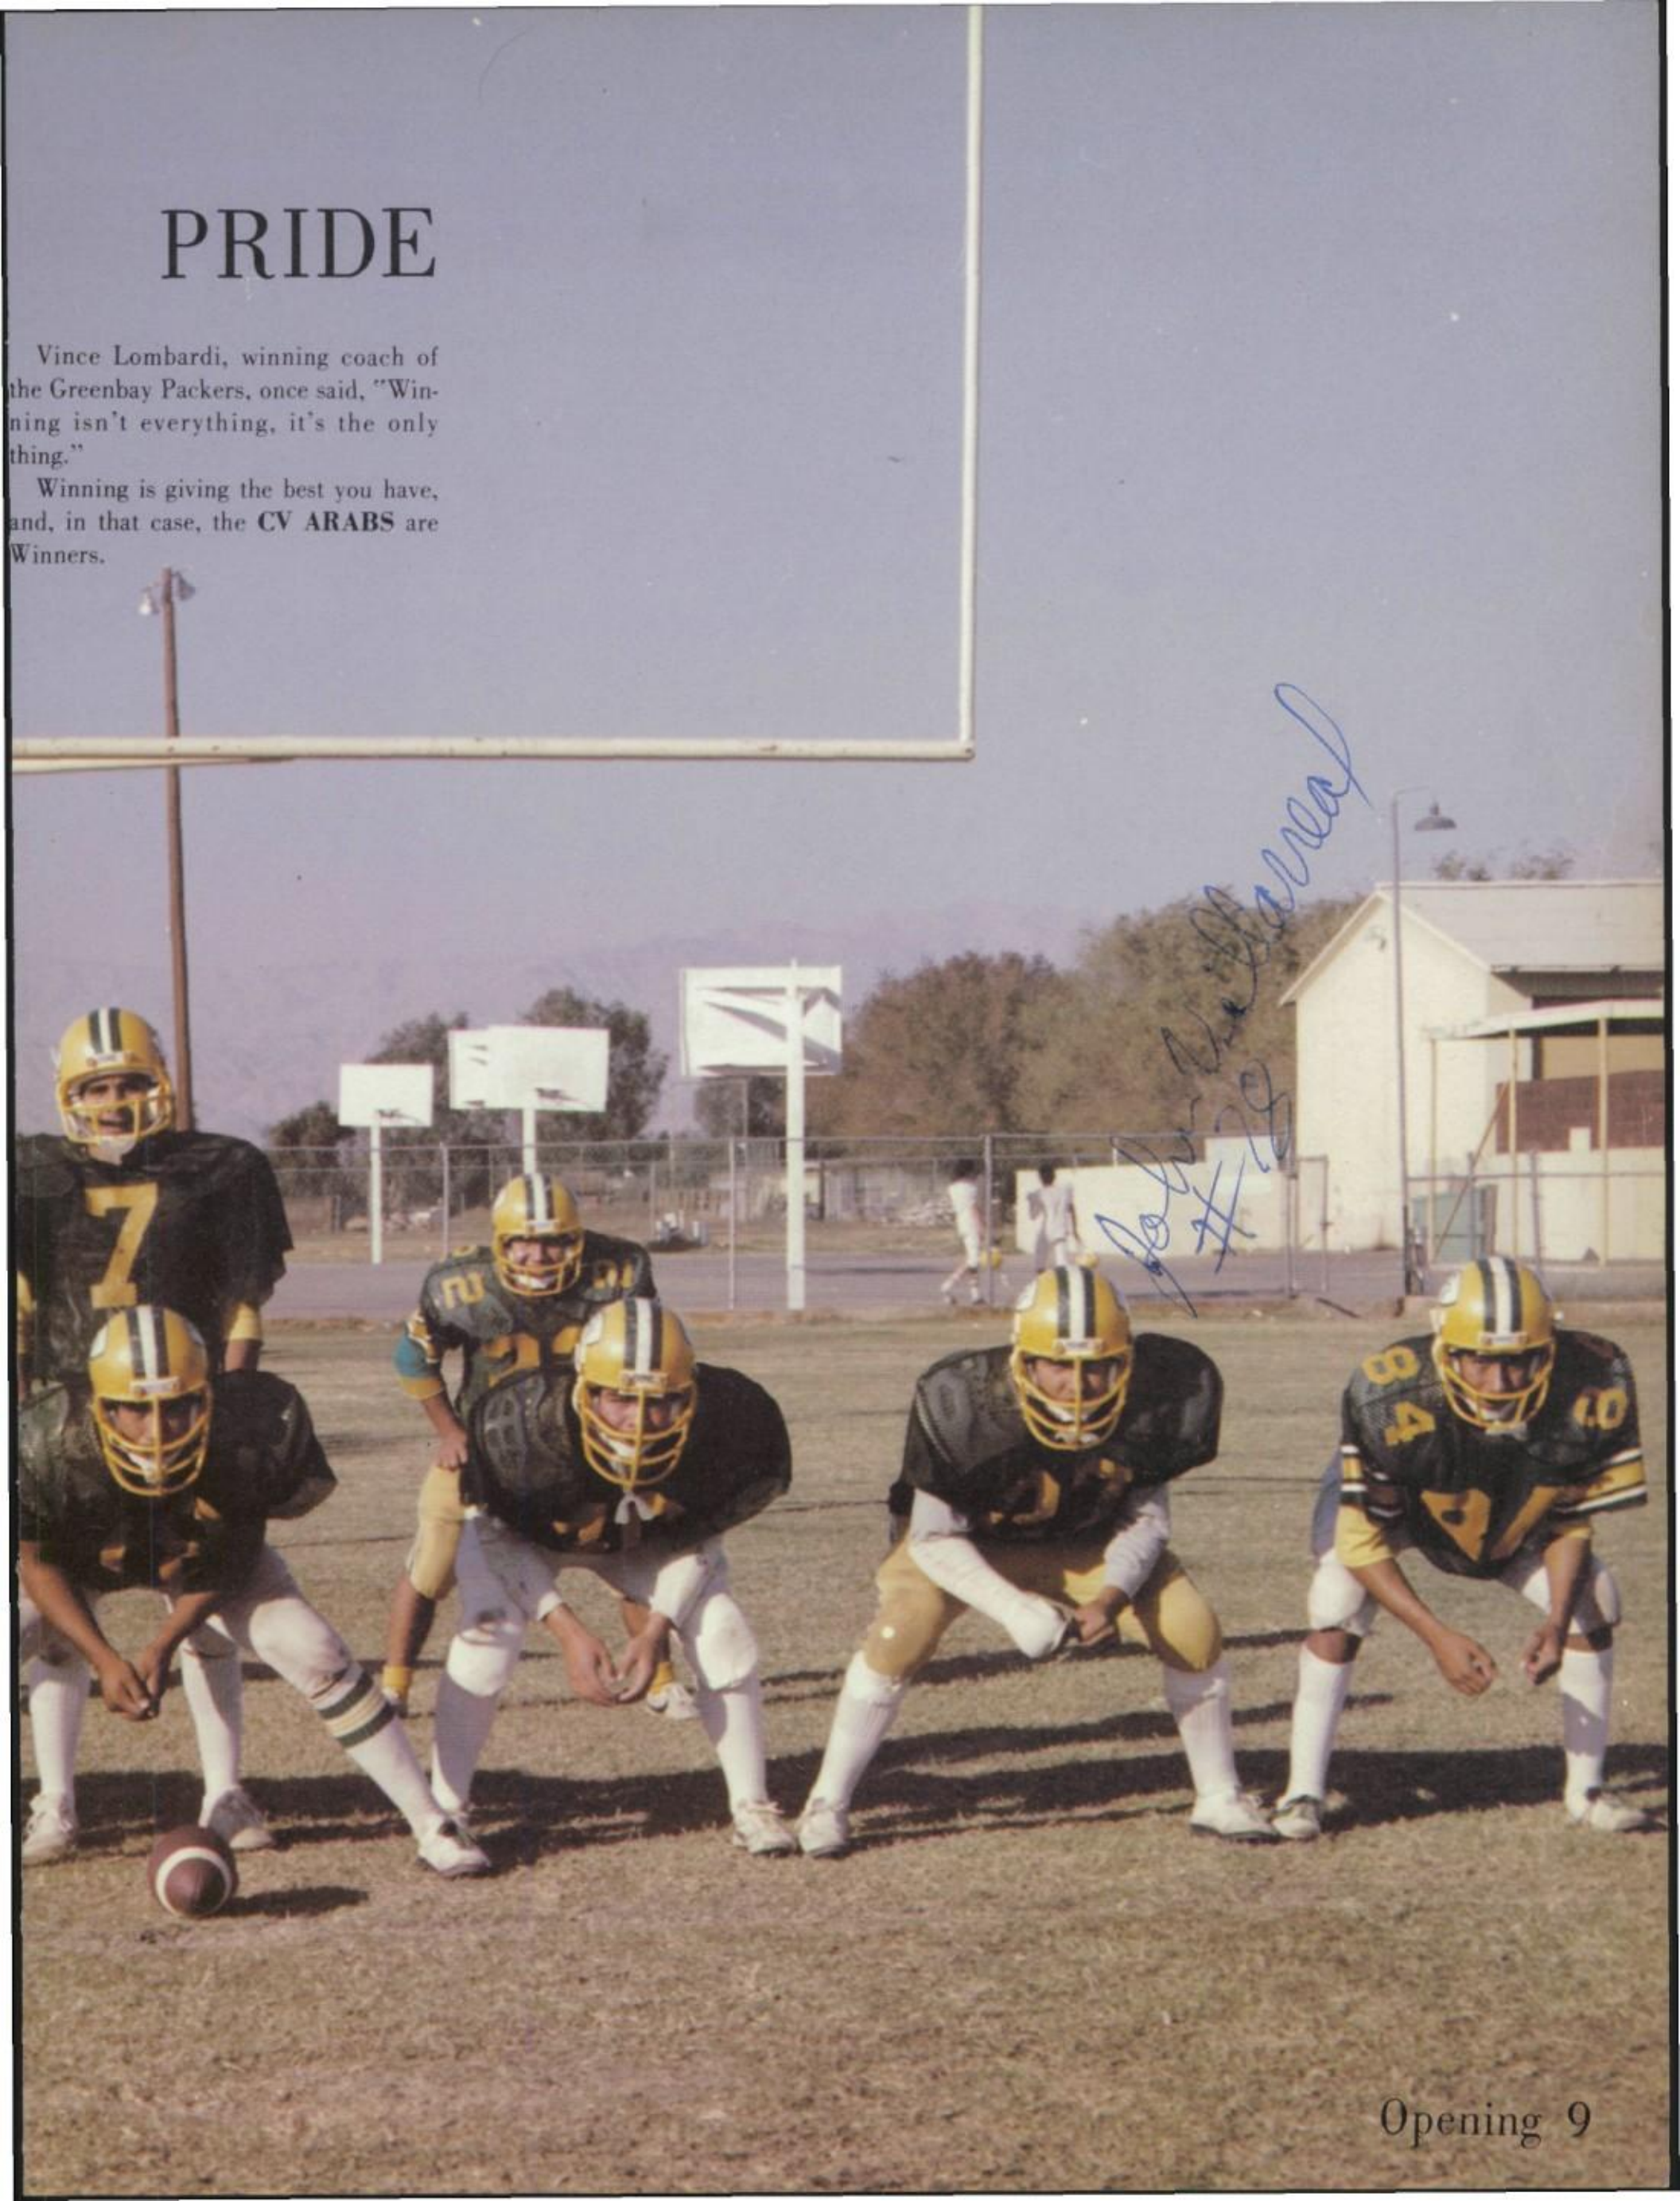
Although they had a disappointing season, the small but talented group always carried the **ARAB** green and gold with dignity. Plagued by numerous injuries, the fighting spirit never faltered.



PRIDE

Vince Lombardi, winning coach of the Greenbay Packers, once said, "Winning isn't everything, it's the only thing."

Winning is giving the best you have, and, in that case, the **CV ARABS** are Winners.



PERFORMING ARABS

Whether it's at a pep rally, basketball game, or football game, ARAB cheerleaders, drill team, band, and dance team are there to dazzle the audience with the electrifying performances of their eye-catching routines and formations.

Enhancing changes have been the key to the ARABS' appeal. The pep Squad's crowd-rousing cheers, together with the dynamic tumbling of Senior Yell-Leader Martin Gamez, have drawn more and more people to pep rallies and games. Few will forget the Dance Team's Punk Rock routine to Devo's "Whip It."

Whether they're cheering, dancing, or strutting their stuff on a football field, C.V. ARABS are LOOKING GOOD!

SPIRITED ARABS

School spirit and **ARAB** pride played possibly the highest role in student life at C.V.

"Ya' wanna buy a ribbon?", was heard every day of the week as the cheerleaders tried to boost **ARAB** spirit, as well as their funds.

The Battle Cry at the pep rallies was more than just a screaming competition between classes — It was a reflection of the true **ARAB** spirit found in every student.

From selling ribbons, to yelling at pep rallies, to dressing up during Spirit Week, C.V. **ARABS** were **LOOKING GOOD.**

WHATS' NEXT ARABS?

Graduation means different things to different students. To most it's a relief, if only temporary, from the pressure of homework, term papers and getting up early to catch the school bus.

Although most seniors share this view, their futures lie in diverse directions.

Some will take a full-time job only to find the alarm clock still dictates the time to begin the day.

Others will opt for military service, and contrary to popular belief, many students still feel patriotic and wish to serve their country.

Marriage is a likely alternative for graduating ARABS who will merely trade textbooks for grocery bills and budgets.

Attending junior college and universities will become the goal of ambitious ARABS who dream of being doctors, lawyers, and yes, even teachers.

Wherever the future directs these ARABS, one good thing will be obvious: C.V. ARABS will be LOOKING GOOD!

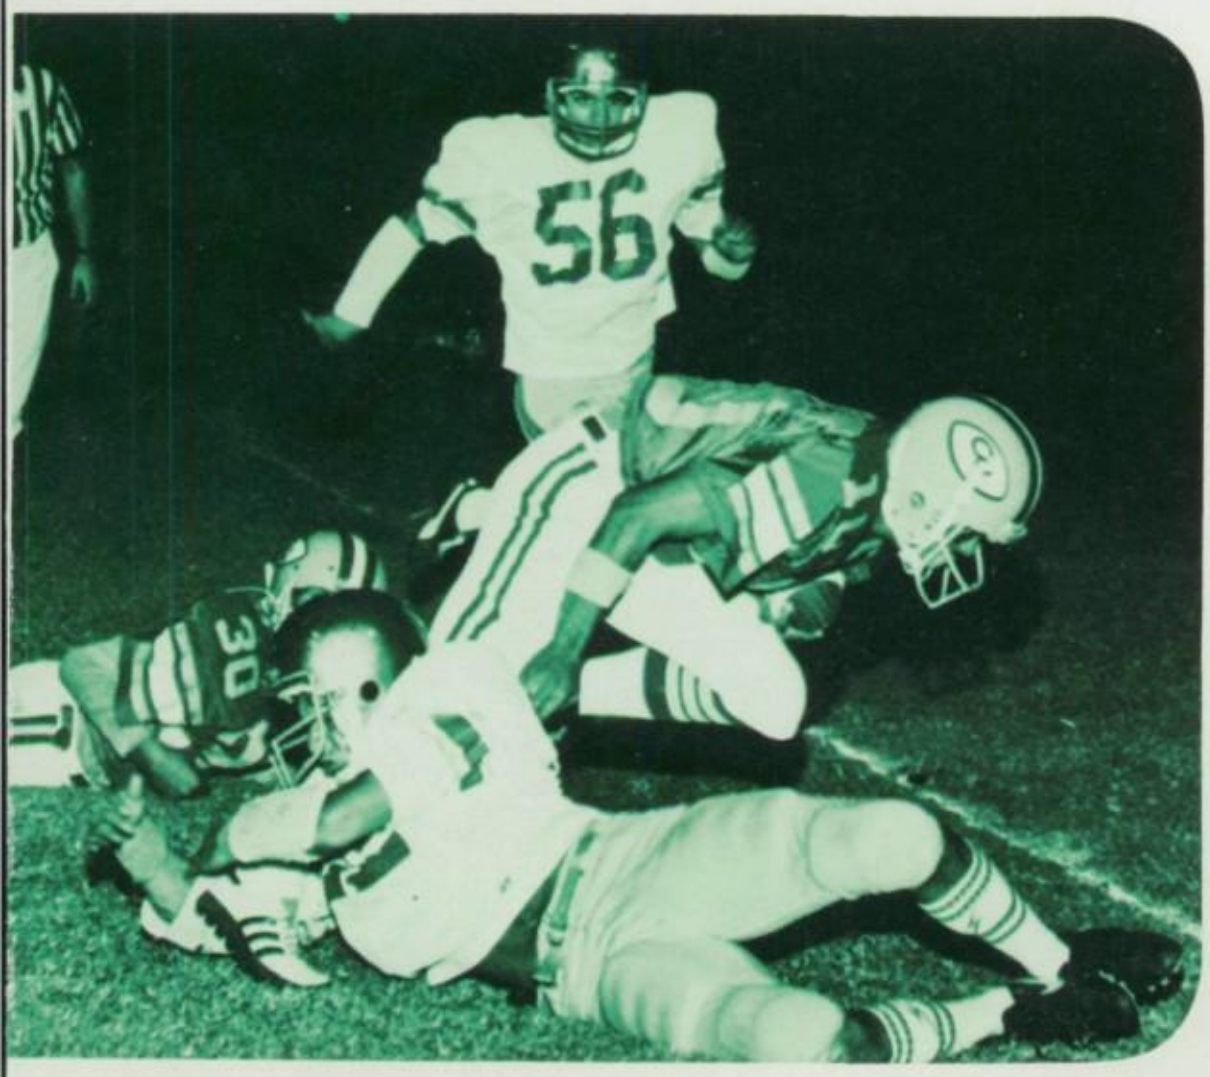
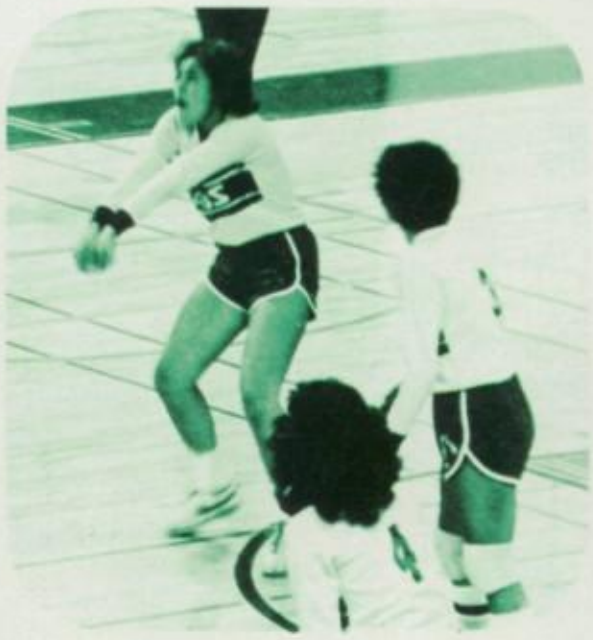
ATHLETES





VARSITY FOOTBALL

Battling top-ranked CIF teams such as Paraclete and Banning, CV Arabs produced strong challenges at each game, but came out on the losing end. The major cause was key injuries to top players crucial mistakes.

The Arabs kept their poise and pride throughout the season. Opening league on the road, the Arabs were victorious with a 19-14 win over the Calexico Bulldogs. The enthusiasm was carried on to the Brawley game, where the Arabs and Wildcats battled to a 13-13 deadlock.

ARABS AWARDED

As they do every year, the ARABS displayed talent by placing members of the Varsity Football Team on the All-DVL team, the most memorable selection being Tony Lomboy. Tony was selected Co-Most Valuable Player on defense, and was also selected to the first team as a linebacker.

Offensive lineman Greg Juarez, Tom Rodriguez, Tony Mesa, and Rutilio Brito were nominated to the All-League selection, while defensively Joe Murillo, and Martin Garcia made up the defensive line selection. Rounding out the selections as defensive backs were Lupe Franco and Eddie Soriano while Freddy Mejorado was chosen as linebacker.

Runningback Raul Aguirre is caught from behind after a long gain for the Arabs against Brawley. The Arabs contained the Wildcats to a 13-13 tie. 2. Alfred Castro, with the help of 74 Greg Juarez and 73 Rutilio Brito, scores an Arab touchdown. All three Arabs were part of Coachellas DVL selection.

VARSITY FOOTBALL

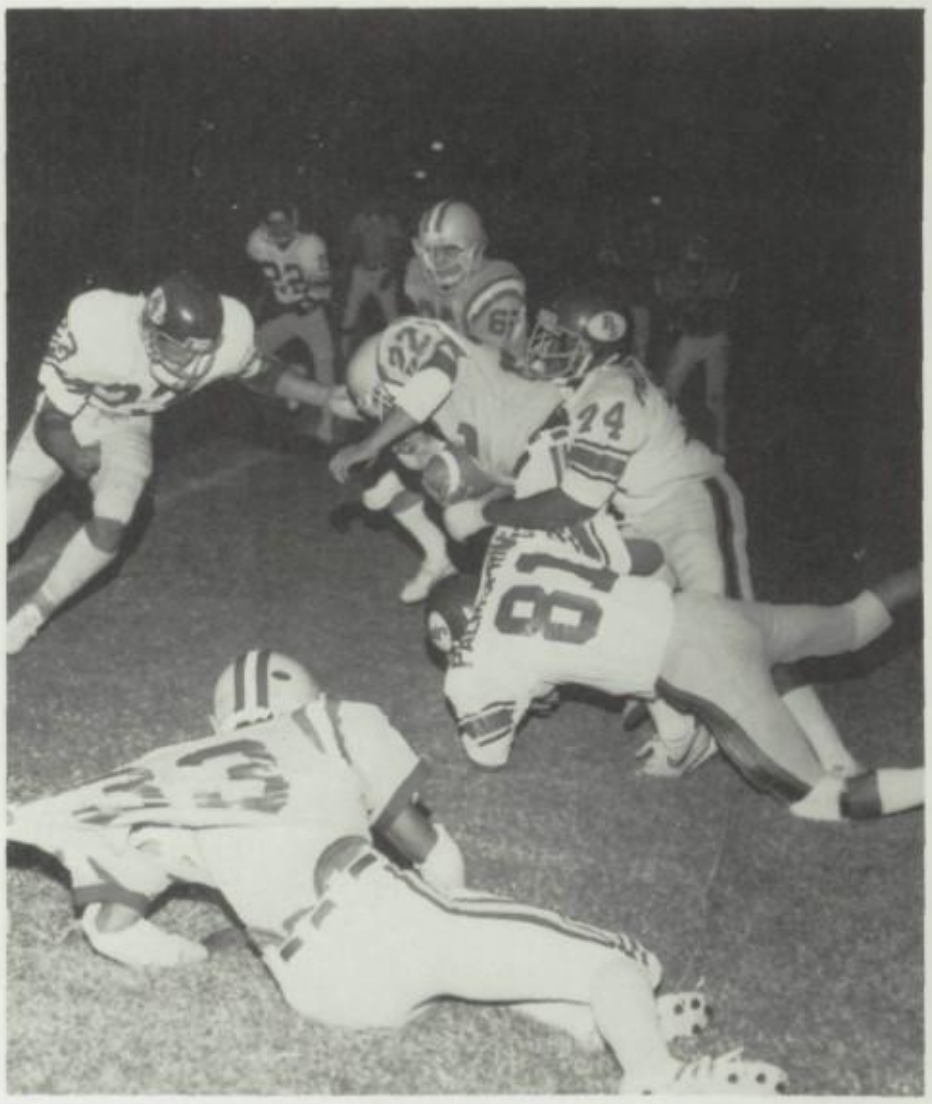
ARAB PRIDE

The ARAB's season began with high hopes for ARAB Gridders. The ARABS had a talented quarterback named Javier Avila and many experienced lettermen.

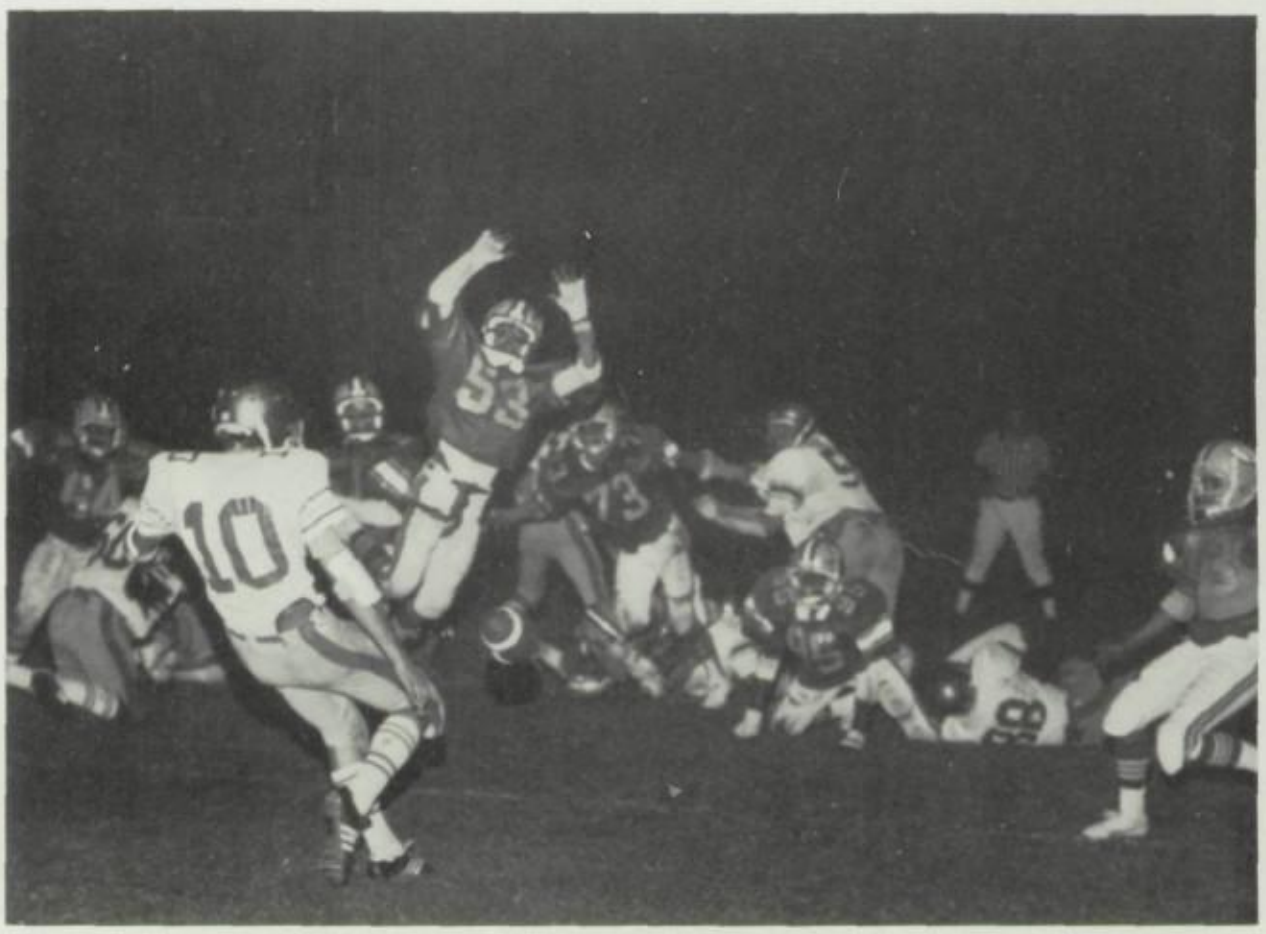
Mistakes, funbles, and an injury to Javier Avila seemed to be too much for the ARABS. The ARABS responded to the challenge as the defense hardened, picking up the slack of the offense.

Playing tough ball games, they remained on the loosing end. However, they did not give up on themselves. They fought every minute of every game with intensity and determination.

Perhaps this 1980 season will be remembered as a true ARAB Pride season.



Eddie Soriano, with the help of ARAB blockers, plows for extra yardage against the Palm Spring's Indians.



Tony Lomboy reaches to block a Brawley Wildcat punt. The ARABS and Wildcats battled to a 13-13 tie. The ARABS finished D.V.L. play with a 1-3-1 record.

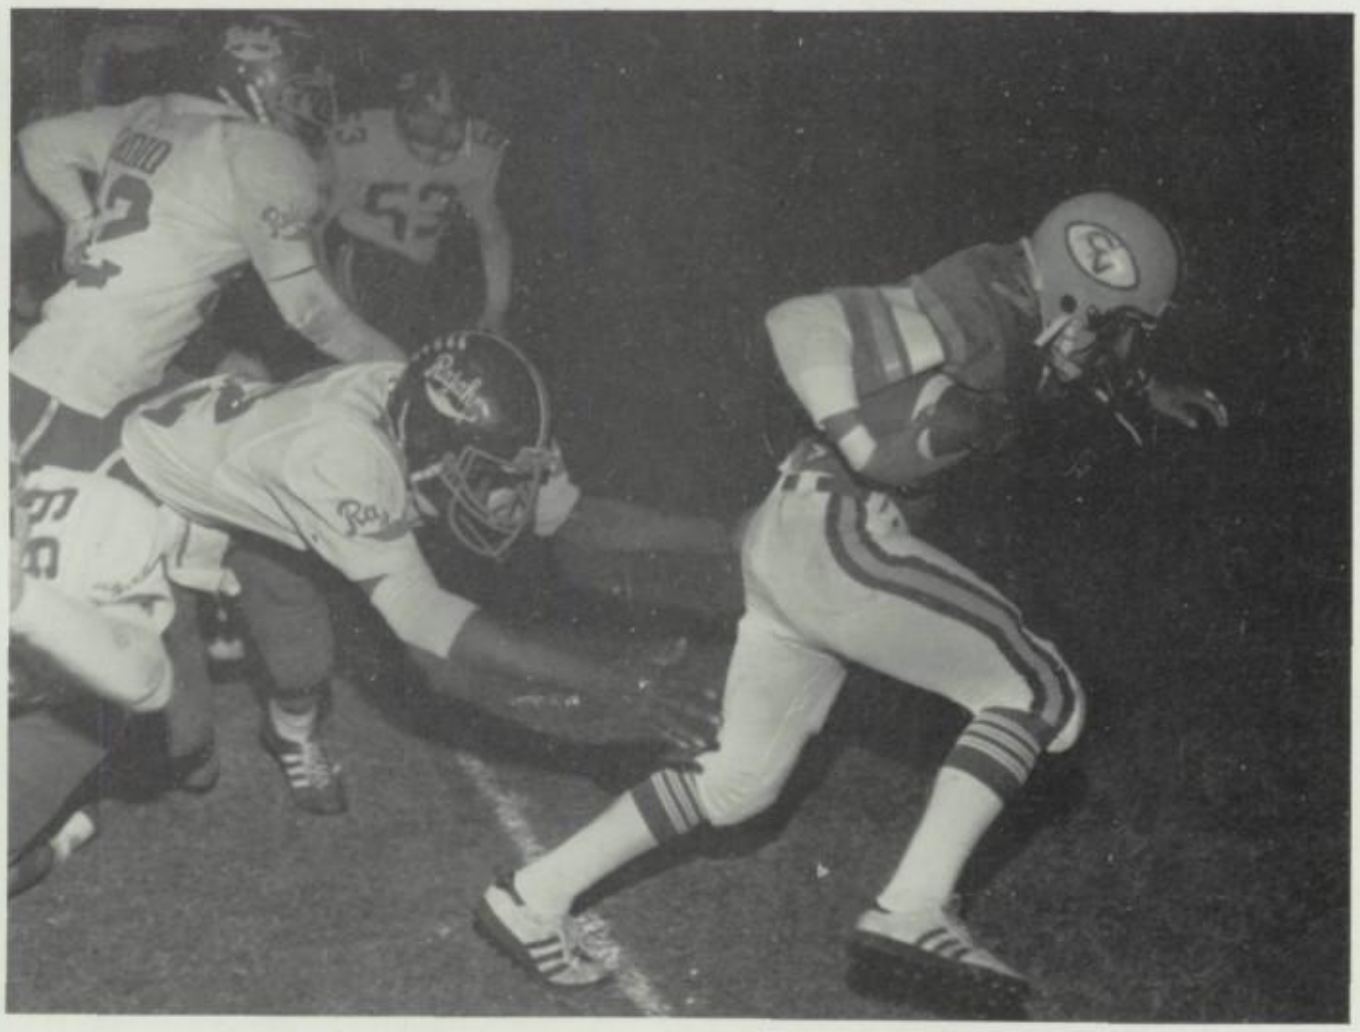
COACHELLA VS. INDIO

Overwhelming is, possibly, the word that best describes the rivalry between the C.V. ARABS and the Indio Rajahs. The meeting of these two teams, which is most often a clash, never fails to produce an exciting, tension filled game, and the 1980 ARAB-Rajah match was no exception.

From the instant of the first kick-off, to the last second of the game, was non-stop. Although ARAB running backs ran effectively through the Rajah defense, a total of six ARAB fumbles were a hindrance to the team. Nevertheless the half-time score was Indio-6, Coachella-3.

The last half proved to be even more exiting as both teams threatened to score. Indio scored the final touchdown, for a 12-3 Rajah win.

Coachella Valley's Lupe Franco tackles an Indio runningback. Franco was on many tackles at his defensive back position.



Quarterback Pedro Hernandez runs the sideline after a successful sweep. It was plays like this that made the Indio — C.V. game tense and titilating.

J.V. FOOTBALL

J.V. Football experienced ups and downs during the 1980 season. Although starting the season with an impressive 39-0 victory over the Perris Panthers, the next three pre-season games were disasterous for the ARAB J.V. Football team.

Coach Jerry Tripp, returning J.V. mentor, stated the J.V.'s should have been undefeated due to their extreme potential. However, despite speed and depth of the team, fumbles and bad timing prevented a winning season.

The toughest game played was against the Brawley Wildcats. The Wildcats gave the undaunted ARABS their first scoreless game, ending in a 0-0 tie. However never close to scoring, the Wildcats were held by a brillant ARAB defensive performance.

Looking forward to playing Varsity Football during the 1981 season, J.V. players will bring determination and pride to the ARAB green and gold.

FROSH FOOTBALL

In only the second year since its rejuvenation, freshmen football has grown with enthusiasm. This year freshman turnout was the largest this school has had in previous years.

Freshmen learned the basics of football and teamwork, and were also introduced to competition against other schools. Freshman football provides a beginning athlete with the opportunity to meet new friends and experiences. Winning was the greatest experience. They also discovered the agony of defeat.

For the first time freshmen had the chance to play Desert Valley League teams, such as Calexico and Brawley. Coach Ceja and Coach Svoboda, this year's coaching staff, will be looking forward toward next year's gridders. On the other hand, the experienced Freshmen are looking toward playing Junior Varsity.

VARSITY VOLLEYBALL

Girls' volleyball season was a learning experience in every sense of the word.

The ARABS girls were headed by new Coach Blaine Wood. It was Coach Wood's first job at leadng girls' sport team. Coach Wood responded to the challenge. He used his leadership and knowledgement of people to motivate his players. In the process he gained the respect and trust of the ARAB volleyball team. The team itself had a learning season, with a couple of returning players and the rest being players from the Junior Varsity. The team was lead by Co-Captains Lori Sotelo and Edie Gomez. These ARABS along with the rest of the squad played super volleyball, though their record indicates otherwise.

Chosen Most Valuable Player was Dora Hernandez, Most Improved Player was Lucy Escobedo. Edie Gomez received the Most Inspirational Player Award.

Coach Wood looks forward to next year's season with much enthusiasm.

Constantly improving the Junior Varsity Volleyball team played many experiencing games. In many of these games the team found themselves behind and were able to come back. In other games the team could not do as well. New Coach Burt Hume was never discouraged. He was always able to make his girls play well the next game. His patience paid off in league competition.

In preseason the ARAB volleyball girls prepared themselves for league as was evident in the girls first D.V.L. win against Palo Verde. ARABS rolled along by beating P.V. again then Calexico and Brawley.

Chosen Most Valuable Player was Rachael Hernandez, Most Improved was Cecilia Arrellano. Martha Moreno was voted Most Inspirational.

BOYS' VARSITY CROSS COUNTRY

One of the toughest sports in the school is cross country. The sport takes a great deal of dedication and perseverance. This year's team was a young and determined one.

Two of the most dedicated runners on the team were David Gonzales and Wayne Hoy. They lead the team to a surprising third place in the D.V.L. Finals. The ARABS were the underdogs at the D.V.L. meet.

"All D.V.L. Runner" was David Gonzales. The team went on to C.I.F. and took eighth place out of seventeen teams.

Voted Most "Gutsiest" Runner was Wayne Hoy, Most Valuable Runner was David Gonzales. Luis Silva was chosen Most Inspirational Runner.

BOYS' J.V. CROSS COUNTRY

Cross Country was off to a good start. The long hard, grueling hours of practice proved well the effort as C.V. began the season with a much improved J.V. Cross Country Team. Coach Jim Davison looked forward to the season with high hopes. His hopes were well founded as C.V. won the first meet against 29-Palms. Acting as team captain was Cesar Inez. Cesar, along with Wayne Hoy were strong D.V.L. prospects and should greatly boost the ARABS chances of taking the D.V.L. title next season.

VARSITY BASKETBALL
NEW COACH AND YOUNG PLAYERS EXPERIENCE GROWING PAINS

With the arrival of new coach, Jeff Kritzer, the 1981 boys' basketball team produced many exciting and spirited moments. The Varsity squad was burdened with a lack of height but strove to win by using their speed and determination.

Contributing to the team's performance were three sophomores elevated to the varsity level. With accurate shooting ability Albert Lorona paced the ARABS. Todd Ahrens and Albert Calderon contributed defensively and offensively with their strong inside game. These sophomores will aid much in the future ARAB teams.

In the leadership department Marty Holguin paced the ARABS with his knowledge and ball handling. Despite a record of 2-17, the ARABS are looking forward to the coming season. Many games were lost by close margins even though the ARABS were always hustling and striving for victory.

Marty Holguin was a big asset to the ARABS with his leadership and experience. He is shown here laying up two points.

FROSH BASKETBALL

Freshman Basketball was filled with talented players. This talent resulted in a good season for them. They learned to strive for success.

Under the direction of Coach Burt Hume, frosh basketball was at its best. Coach Hume's enthusiasm of the game was a big asset to these young athletes.

Freshmen basketball players were all outstanding on the playing court, particularly Sergio Mesa and Danny Gonzales.

Sergio provided many points for the team, while Danny's play at center was superb.

Top Pict., Danny Gonzales eyes the basketball with overwhelming concentration. The young ARABS were able to take control of the ball as well as the game by defeating the Calexico Bulldogs.

GIRLS' VARSITY BASKETBALL
ALMOST THERE

Girls' basketball season can be described as up and down. The girls began pre-season with a not very exciting record. They however came around as D.V.L. play began.

Returning lettermen were Delia Mendoza, Lucy Escobedo, Grace Hernandez, and Yoli Marin. Team Co-Captains were Dora Hernandez and Delia Mendoza. This year's ARAB leading scorer was junior Lucy Escobedo. Delia was also instrumental in scoring many points for the ARABS. Delia came with in two points of breaking the school record of 29 points set by Rose Mary Valentine just one year ago.

The Indio game turned out to be a very dramatic game. The much favored Rajahs remained behind the ARABS on the scoreboard throughout the game. This was partly due to the incredible play of Lucy Escobedo and senior Delia Mendoza. The rest of the team also contributed by repeatedly disallowing the Rajahs to score. The game was tied after regular play at 57-57. The Rajahs went on to win the game 67-59 into overtime. Coach Ruben Vasquez will be looking forward to next year's team. As strong shooter, Lucy Escobedo returns with most of the ARAB team.

BASKETBALL BASKETBALL

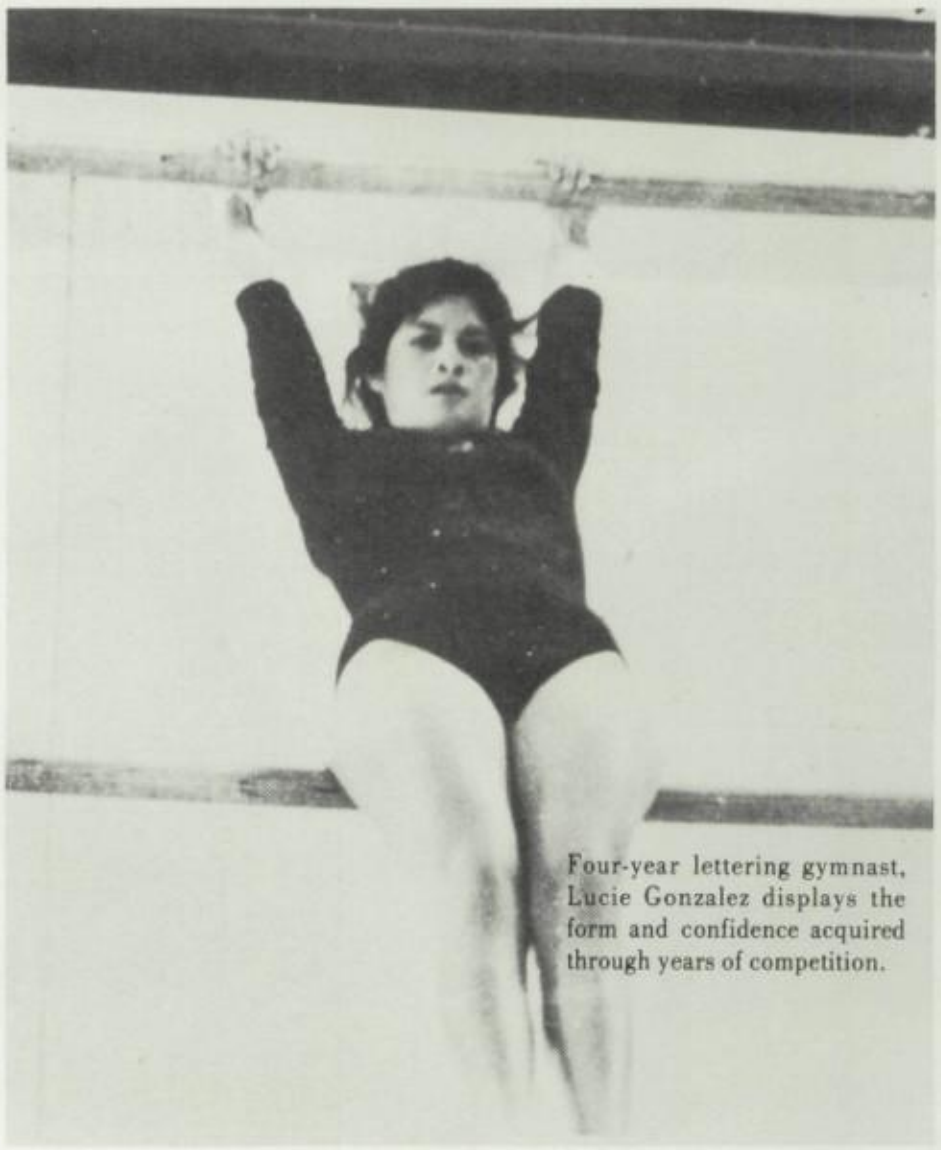
GYMNASTICS TEAM

Although the ARAB Gymnastics team isn't one that overflows with 10's, it gets the job done, and 1980 was a good example. The ARAB team rose from last place to second in DVL, with a narrow loss of 0.3 to Indio making the difference.

This year's squad will have to be reckoned with, as vital gymnasts return from last year's CIF qualifying team. Many of the gymnasts feel that this year they will defeat Indio, as well as taking first in league. Coach Midge Rodier certainly played a large role in instilling in her gymnasts a positive mental attitude.

Coach Rodier will depend on Senior gymnasts and top scorers, Lucie Gonzalez and Norma Davila, Sophomores Diana Monroy and Wendi Hollander, and a dynamic newcomer, Freshman Diana Zepeda.

C.V. will host the Riverside County Gymnastics Invitational, the largest meet of the year, which brings together the best gymnasts in the county. The meet is considered by ARAB gymnasts to be "THE meet of the year," and 1981 is the year of the ARAB gymnast.



Four-year lettering gymnast, Lucie Gonzalez displays the form and confidence acquired through years of competition.

Because they were able to keep their number of falls to a minimum, the balance beam event was often a strength for the ARAB team. Here, Wendi Hollander, a Sophomore, executes her mount with precision and poise.

Twice named Most Valuable Player for Gymnastics, Senior Norma Davila is caught in a moment of intense concentration, preparing for a "Flying Hip Circle" on the unevens.

VARSITY WRESTLING

ARAB varsity wrestlers were a small yet tough team. Composed of many young wrestlers. Coach Ismael Ruiz expected a promising season for his grapplers.

Beginning the season the ARABS had to face numerous tournaments. This year was one of the best tournament seasons the ARABS have ever had. ARAB grapplers wrestled to mount enough points to always end up in the top three of standings.

Individually the ARABS had weight division champs in every tournament. Most outstanding were Carlos Meza, Freddy Carrillo and Alfred Castro.

The annual Coachella-Indio confrontation proved to be heart stopping. The lead changed hands numerous times until finally it was decided in the last match, where Indio just escaped defeat 34-28.

1980-81 Junior Varsity Wrestling was a small team. This was not an indication of their successful season. The ARABS came in second to Indio in D.V.L. The reason for the loss was three forfeits, if not for forfeit the ARAB's would have wound up with the D.V.L. title.

Top wrestlers for the J.V. team were Steve Guiterrez, Robert Hernandez, Wencesloa Razo, and Sam Belmonte.

They also placed second at both Brawley and Indio tournaments. Their only loss being to Arch Rival Indio.

The coaches felt that this young crop of wrestlers would have to be reckoned with in the future. Top wrestlers were Billy Hibbits and Trevor Ahrens who went undefeated. Juan DeAnda and Tony Young also had successful seasons leading ARABS to many wins.

This year's C.V. Soccer team promised to be a good one. Experienced seniors with a balance of juniors and sophomores was the reason.

The ARABS exploded by going undefeated in their preseason with the exception of a tie with the Kofa Kings. The Arabs and the Kings battled to a 2-2 deadlock.

VARSITY BASEBALL

The 1981 Varsity Baseball squad is alive and thriving with seven returning lettermen. The team looks forward to a DVL title and possibly a CIF championship. This prediction comes from the fact that the team is equipped with much talent and enthusiasm.

Two juniors, shortstop Richard Flores, and second baseman Manuel Saenz, were chosen to the All-DVL first team selection, and plan to be a vital part of the ARABS' season. A third junior, Frank Ceja, will take over the pitching duties with a strong and accurate arm.

Top batters last year Richard Flores, Manuel Saenz, and Marty Holguin while this year Henry Terrazas is expected to have a strong year at the plate.

First year head coach, Rudy Ramirez, who is well liked and respected, expects a banner year from his ARAB squad.

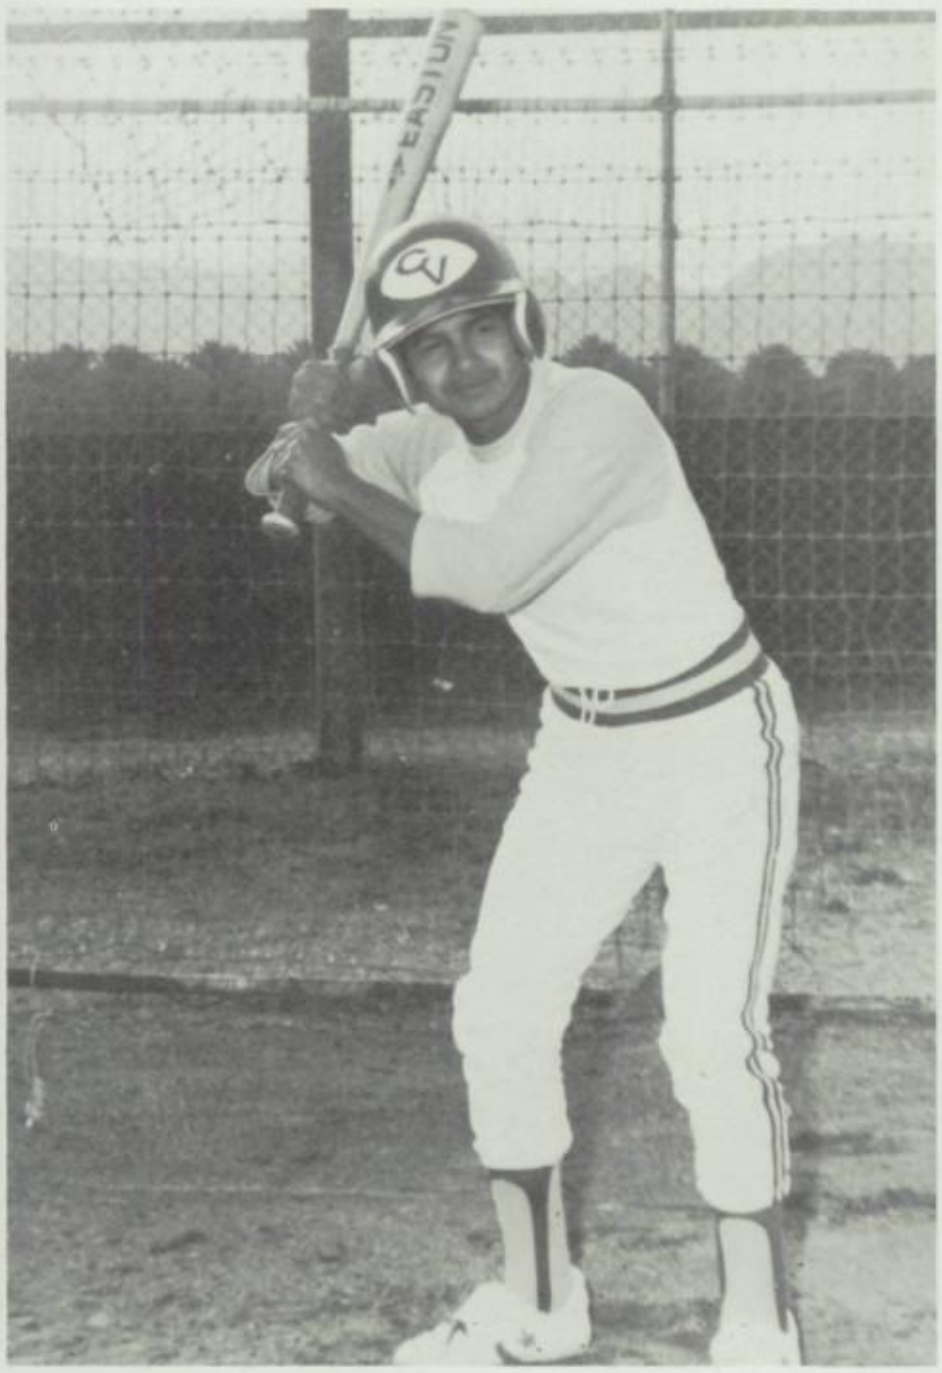
With hard work and few injuries this year's Varsity Baseball team will a be force to be reckoned with.

1981 Varsity Baseball: Top Row: James Bazua, Richard Flores, David Saldivar, Julian Fernandez, Henry Terrazas. 2nd Row: Coach Ruben Vasquez, Andy Moreno, Mike Lemons, Armando Mendel, Ramon Alvarez, Coach Rudy Ramirez. 3rd Row: David Gurrola, Randy Bazua, Frank Ceja, Marty Holguin, Bernie Castaneda, Manuel Saenz, Bernie Esquivel, Pedro Hernandez, Raymond Guzman.

BASEBALL

Opposing pitcher looks on with discouragement as another ARAB runner gets on base.

Rounding out first base is senior Marty Holguin.



ARAB slugger, Manuel Saenz, shows his form which made him one of the top batters last year.

Warm-ups are extremely important to a baseball player. Pedro Hernandez prepares to face the Palm Springs Indians.

BASEBALL

J.V.-FROSH BASEBALL

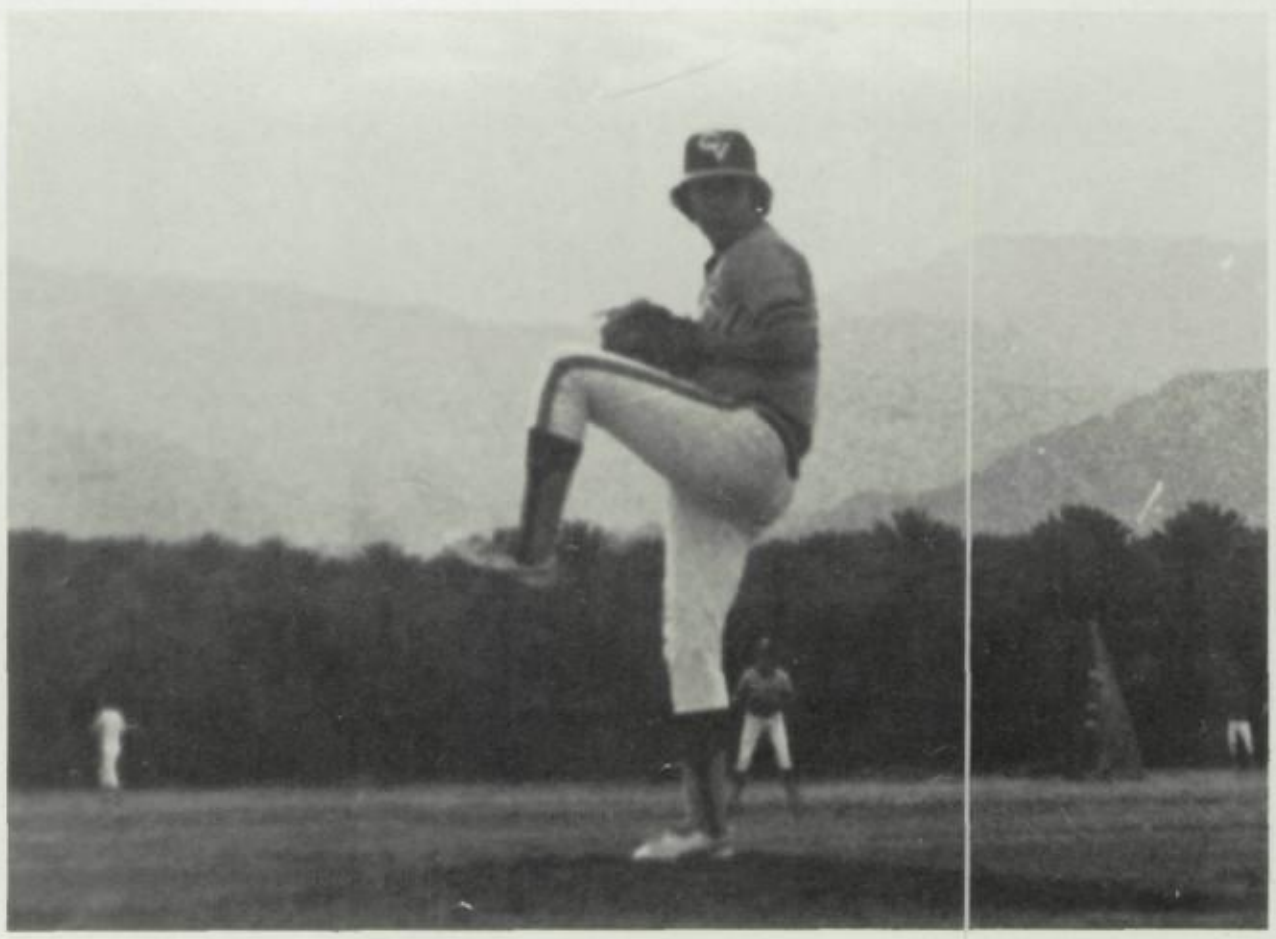
1981 Junior Varsity baseball team is expected to do well this year. Although their pre-season record was 2-3, Coach Steve Waggoner will shrug it off his shoulders.

Coach Waggoner blamed the record on his team's mistakes caused by inexperience. Coach Waggoner stated "If they can cut down on errors we'll take the league."

Coach Waggoner will rely on Pepe Miramontes for much of the pitching. Bernie Esqueval, and Miguel Garcia are expected to be the top hitters as well as Marcos Ortiz.

The preparation for the future ARAB varsities begins at the Frosh level. The Frosh baseball team has a schedule of 13 games this season. The fundamentals of baseball were stressed over the winning of games.

This year outstanding young men like Mike Morales, Jesse Guzman, Henry Limon, and Billy Hibbits will provide the nucleus for a solid ARAB frosh team. All of the young men on the team will contribute to the ARAB program of the future. "We anticipate a good season," asserted Coach Joe Ceja.



Freshman pitcher, Mike Morales, shows his form on the mound.

Freshman, Henry Limon, eyes the ball waiting for his pitch.

ARAB, Danny Williams, concentrates on an opposing batter. ARABS were able to defeat the Palm Springs Indians.

Another ARAB hit! The catcher ends up holding nothing but air.

Freshmen squad looks on as Coach Joe Ceja prepares them for their game.

VARSITY TRACK

Under Coach Jim Davison, the track team experienced a year of learning and *rebuilding as the young ARABS competed against much more experienced runners.* Enthusiasm and spirit filled the gap, and some promising runners emerged as top prospects for the D.V.L. season.

Senior Luis Rodriguez and Charles Serrano, served as team captains. They contributed with fine performances in every meet. Junior Joe Robinson took a first place in the pole-vault at Riverside Poly. In the two mile course, Sophomore David Gonzalez showed by taking a first.

Joe Robinson clears the bar. Joe earned a first place on the pole-vault.

Row 1: Ismael Garcia, Robert Garcia, Marcelino Guerrero, Joey Saavedra, Ismael Gutierrez, Albert Lorona, Danny Gonzales, Oscar Lerma, Ramon Lourez, Efren Ahrau, Ernie Chavez. Row 2: Coach Richards, Angel Borgetti, David Franco, Max Ortiz, David Gonzales, Raul Aguirre, Mark Licon, Jaime Hortado, Jesse Vega, Tim Rosenfeld, Coach Hume. Row 3: Wayne Hoy, Miguel Mendoza, Victer Medina, Louis Rodriguez, Coach Davison, Tony Gonzales, Charles Serrano, Kevin Young, Martin Aguilar, Danny Rubio. Row 4: Ceasar Inez, Alex Gutierrez, John Villreal, Mark Nicasio, Sam Aguiar, Ramon Ruelas, Louis Silva, Goerge Silva, Bill Mouser.

VARSITY TRACK

Leading the race are ARAB spikers Charles Serrano and Danny Rubio.

Showing their running techniques are Mark Nicasio, David Gonzales, and Louis Silva.

GIRLS' VARSITY TRACK

Led by young yet excellent runners, the Girls' Varsity Track Team came into the season defending their D.V.L. title and winning their first two meets over Riverside Poly and 29 Palms. The team's main power source was enthusiasm and weight lifting was often exhausting and painful, but it built their strength and endurance. Team captains were Mary Caroll and Angie Aguilar. The ARAB girls again have an excellent chance of winning D.V.L.

Rosa Figueroa shows the determination which all runners must possess.

1981 Girls' Track: Row 1: Juanita Hernandez, Monica Lerma, Elvia Gonzales, Debbie Hernandez, Dede Arnald, Robin Crystal, Silvana Osuna, Cindy Gatlin. Row 2: Fatima Alvarez, Nivia Anaya, Mary Caroll, Angie Aguilar, Zully Zepeda. Coaches are Jim Davison Richardson, and Burt Hume.

"Come back here ball!" is the expression on this ARAB's face.

DOING THEIR THING

For ARAB, Javier Avila, it wasn't all fun and games.

Diane Zepeda found the parallel fun. Diane is a freshman.

ARABS

ARAB baseball team is up to bat next during a recent home game.

Martin Aguilar looks on as he awaits his turn to run with the baton.

ARABS

C.V. GOLF

ARAB golf is alive and well. Many people do not realize that C.V. has a golf team. The team is small numbering seven players.

This golf season is expected to be a good one. Returning lettermen include Kim Bridgewater, Todd Hunter, Bruce Cowen, and Craig Kishaba. All have had more than one year's Varsity experience with the exception of team captain Craig Kishaba who has played Varsity golf for four years. Another factor for a good season is the acquisition of the Ironwood Country Club golf course. The course is one of the best in the valley. Golf greats such as Arnold Palmer play there.

The team enjoys playing golf in the off season also. Coach Blaine Wood and Craig are known golf enthusiasts.

Kishaba is expected to be on top again, with Todd Hunter expected to help with the load.

GOLF

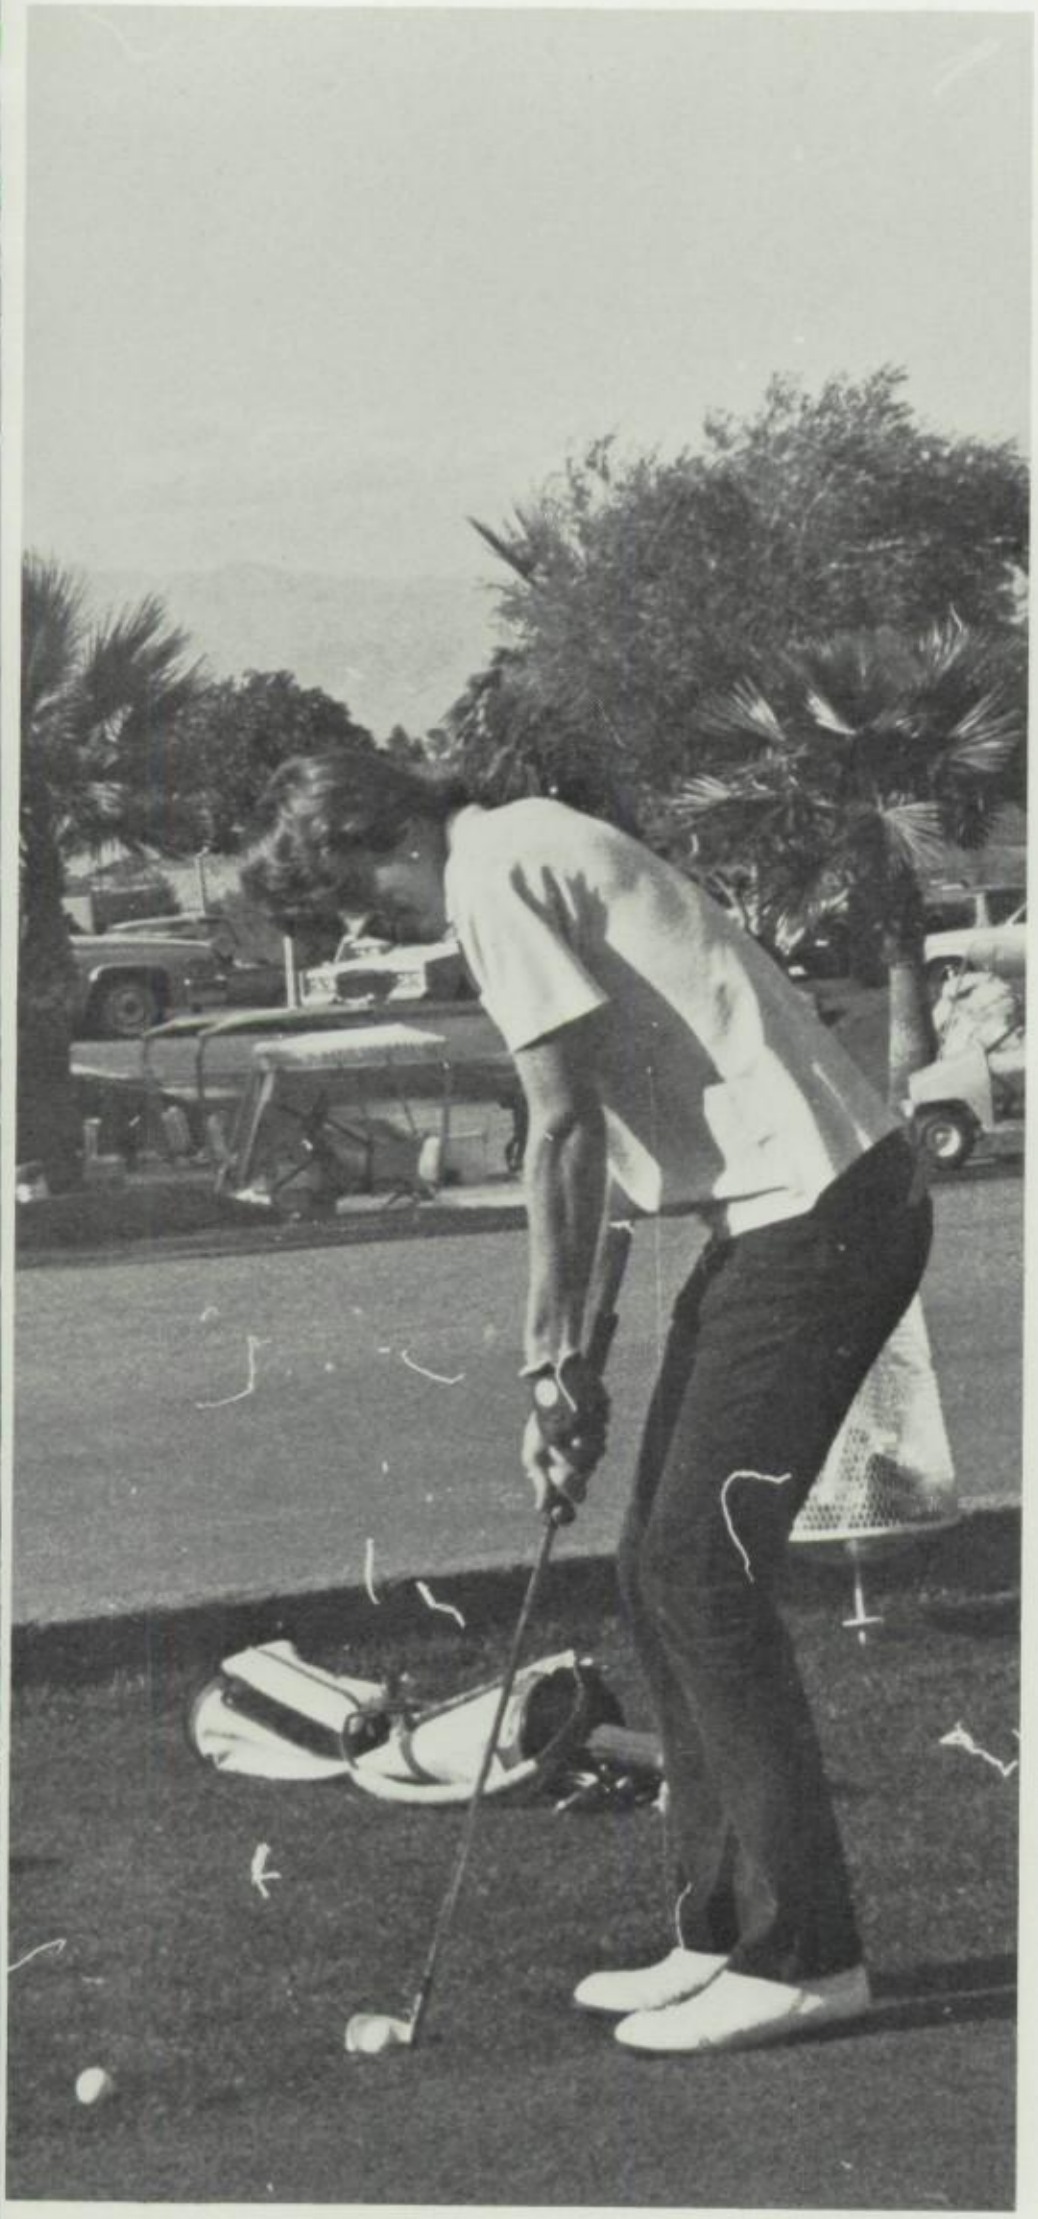
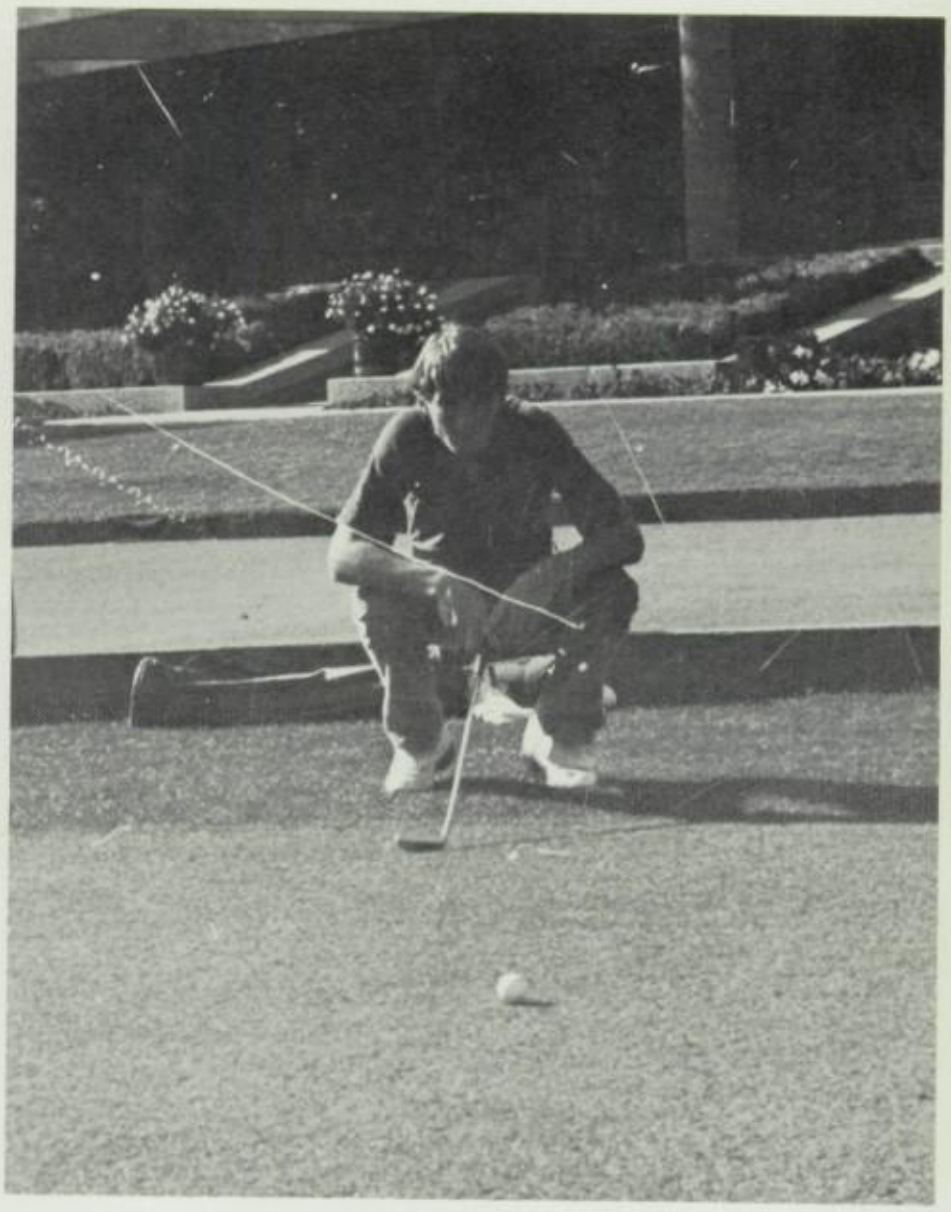
GOLF

Caught in an unfavorable situation is Craig Kishaba. The sand trap proved no problem as he was able to swing the ball out.



Bruce Cowen eyes the hole intensely before putting the ball.



ARAB, Todd Hunter, relaxes after putting the ball and now awaits the ball to drop.

VARSITY SOFTBALL

Freshman catcher, Bernadette Licon, stops a base runner at second with a lightning quick throw.

Lucy Escobedo studies the opposing pitcher.

With six returning lettermen, the 1981 Varsity softball squad should be a team to be reckoned with in D.V.L. play this year. Returning for their second year of play are Lori Sotelo, Grace Hernandez, Martina Moreno, Maria Delgadillo, and Delia Mendoza. Returning for her fourth year is Edie Gomez. The 1981 squad has two starting freshmen, Ramona DeAnda and Bernadette Licon, who have contributed largely to the success of the team.

The girls began their season with a double win over Palm Springs. The team had an excellent outing only committing three errors in thirteen innings of play. ARAB pitcher, Edie Gomez also had an excellent day allowing only two unearned runs for both games.

First baseman, Delia Mendoza, surveys the situation.

Row 1: Ms. Fain, Lori Sotelo, Yolanda Marin, Donna Glen, Edie Gomez, Grace Hernandez, and Valerie Carrillo. Row 2: Bernadette Licon, Lucy Escobedo, Delia Mendoza, Natalie Yanez, Ramona De Anda.

Edie Gomez, Veteran senior pitcher, shows her stuff against Yucca Valley.

"LOOKING GOOD"

"Looking Good" describes this year's Junior Varsity softball team. Beginning the season the ARABS had a 2-1 record splitting a double header with Palm Springs and defeating Christian School of the Desert.

Some outstanding individuals' efforts have come from third baseman Stacie Alford, first baseman Tammy Lemons, pitcher Cindy Perales and Frances Pena as Catcher.

"This year's team has the basic fundamentals to turn into a championship team," according to Coach Granik.

Row 1: Cynthia Espinoza, Patti Martinez, Cindy Perales, Tammy Lemons, Roanna Ramirez, Regina Arrieta, Lydia Johnson. Row 2: Ester Vargas, Bertha Ortiz, Anna Aguilar, Sylvia Vela, Frances Gonzales, Katie VanDiest, Staci Alford. Row 3: Maria Figuero, Irma Gaspar, Maria Auriel, Anna Cates, Elena Ruelas, Patti Rodriguez, Ruthy Rodriguez.

Pondering over which subject to write on, Junior Keith Castillo hopes to make the right decision.

DECISIONS . . .

Decision-making is an important part of life, and making a choice, whether it's trivial, or a matter of life and death, is an integral part of growing up.

Many Juniors found it a hard decision to make in choosing a topic for a term paper, while others, who were already researching intensely, checked out stacks of books on controversial subjects, such as Battered Wives and Children, Gay Rights, Genetics Engineering, and the Rights of Minorities.

Juniors found that controversial subjects made the best term papers, and with that in mind, they hoped to make the appropriate choice.

CRAMMING

As the days approaching final exams drew nearer, more and more Juniors could be found scouring for knowledge in the shelves of the school and public libraries.

Junior activities ranged from serious studying to leisure loafing around the magazine racks. Some students found it hard to concentrate on their studies, as they were distracted by friends and books on subjects other then the one they were presently studying.

Whether they were studying seriously, or just passing time, Juniors could be found looking intelligent in the library.

Junior Leah Zamarripa spent hours in the stacks, looking for the right book.

FRIGHTFUL FUN

Halloween is always frightfully fun, but when the holiday landed on the last day of Spirit Week 1980, Halloween was a scream!

Juniors, such as Terri Kline and Angie Aguilar, who proved that black IS beautiful, and David Saldivar, who showed his darker side, got into the SPIRIT of Halloween and Homecoming in one outrageous day.

Angie Aguilar and Terri Kline share some blood-chilling chitchat with friends Linda Otton and Robin Crystal.

HOT SHOT

Basketball can be one of the most demanding sports a person can get into. It requires a great deal of stamina, quickness, endurance, and coordination. Few people are able to succeed on a school basketball team, as only five members are allowed to start.

Ismael Lozaon, a 5'8" Junior, showed all of the aforementioned qualities, and above all, extra energy, at an early age. Ismael, "Maele" to some friends, was the only freshman on the 1979 Junior Varsity team that started in all the games.

In 1981, Ismael was a prime member of the Varsity basketball team, which was hurt by the quitting of many members. "Maele's" energy, drive, and dazzling style are sure to keep him a HOT SHOT for years to come.

JUNIORS

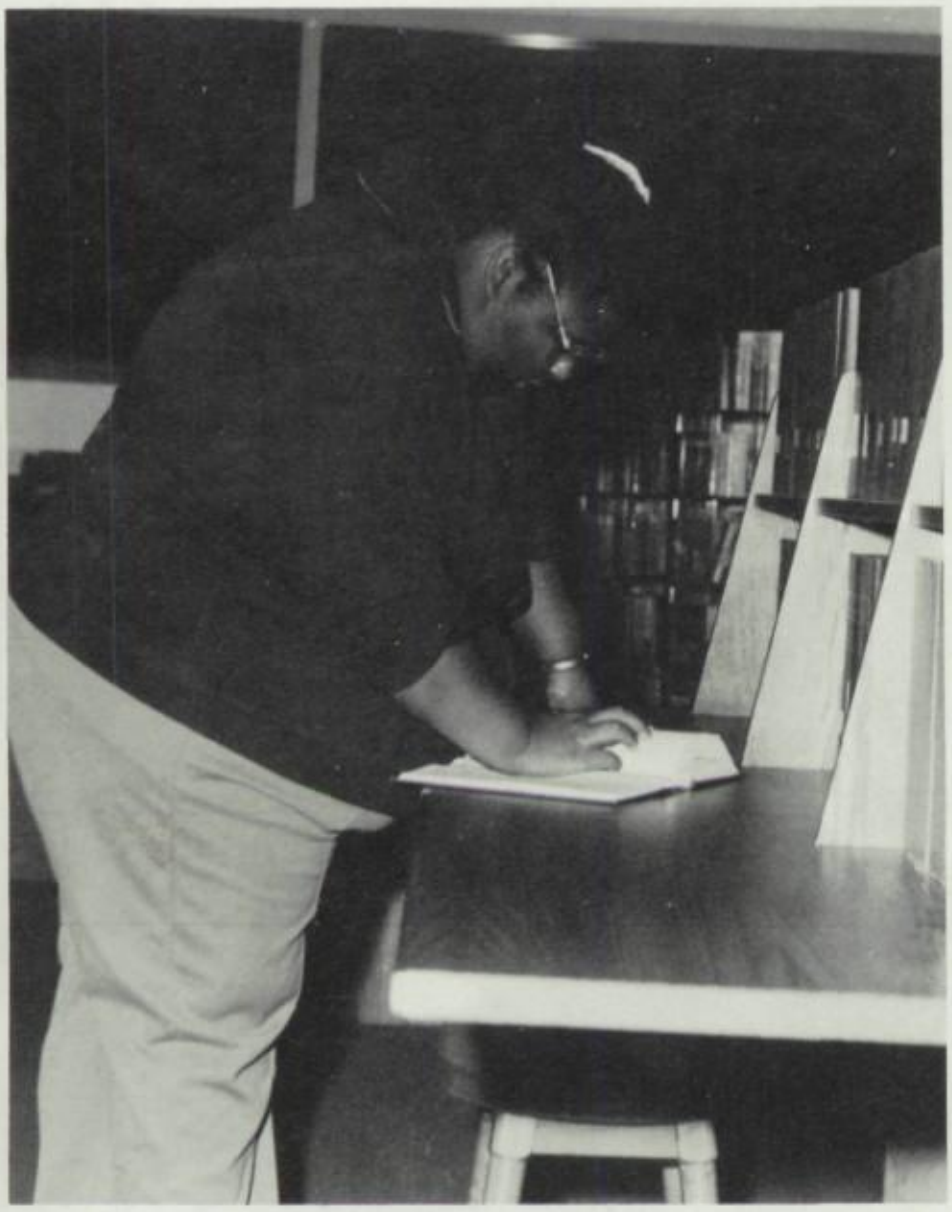
The Senior Walk was modified for Ditch Day '81, when the Juniors were king for a day. Although the traditional egg fights went on, most of the CV faculty agreed that the Junior conducted themselves well, and deserve Ditch Day '82.

Chaos-causing members of the Junior Class took advantage of the absence of the Senior Class on Ditch Day '81. The following day, the Juniors were congratulated for demonstrating good behavior, but many Seniors questioned the way the Quad was "redecorated."



Top Left: Cynthia Banks painstakingly collects information from the library's reference section, hoping to put together a good essay.

WINTER FUN

Sometimes living in the beautiful Coachella Valley has its drawbacks. For example, How many times will it snow in one year? Well C.V. Arabs have the opportunity to travel to a nearby Palm Springs Aerial Tram and find winter already there. These energetic Juniors did just that one January day.

SPIRIT . . .

SPIRIT abounds in the Class of '83. These energetic Sophomores won the "Battle Cry" four times during Pep Rallies.

They were the only class to be represented by a float in the Homecoming Parade. Showing their SPIRIT, the sophomores participated in dressing up during Spirit Week for Halloween.

Their joyous enthusiasm will echo through the halls of C.V. for their reaming two years, and many years thereafter.

SOPHOMORES

LEADERSHIP . . .

This year leadership for the class of "83" was carried out by a remarkable executive board. Salvador Becerra, president; Anna Rodriguez, representative; Francene Fariester, representative; Sherry Bohne, representative; Marie Ramirez, secretary; Rene Rivera, vice president; Diane Gallegos, treasurer.

When meetings were called to order there were a lot of cooperative and imaginative sophomores there to express and develope their ideas for fund raising.

The creative sophomores were really on the move all year, only because they want this year a maturing challenging and more memorable year.

LOVE . . .

Love is an emotion which we all share. Friendship, tenderness, and warmth are all feeelings which can develope from a strong relationship. At C.V. Art Saenz and Vivian Guzman are a model on which trust and love can lead to a firm relationship. From childhood with puppy love to the meaningful relationships associated with adolescence we grow steadily towards the understanding of maturity. Hardships and obstacles such as loneliness, quarrels and mistunderstandings, may seem never ending but the dismal pert of life will cease and the love will flow through. We will once again give warmth and understanding to all that surrounds us.

SOPHOMORES

UNIQUE . . .

Unique is the perfect word to describe the outstanding sporting performances of David Cross, Joey Saavedra and Alfred Castro. These three sophomores with their incredible talents were able to earn themselves a spot on the varsity football team, giving them the athletic opportunity to demonstrate their extraordinary ability.

No matter what the situation, these athletes always gave their very best. With one year's varsity experience behind them they will make themselves an UNIQUE asset to next year's varsity football team.

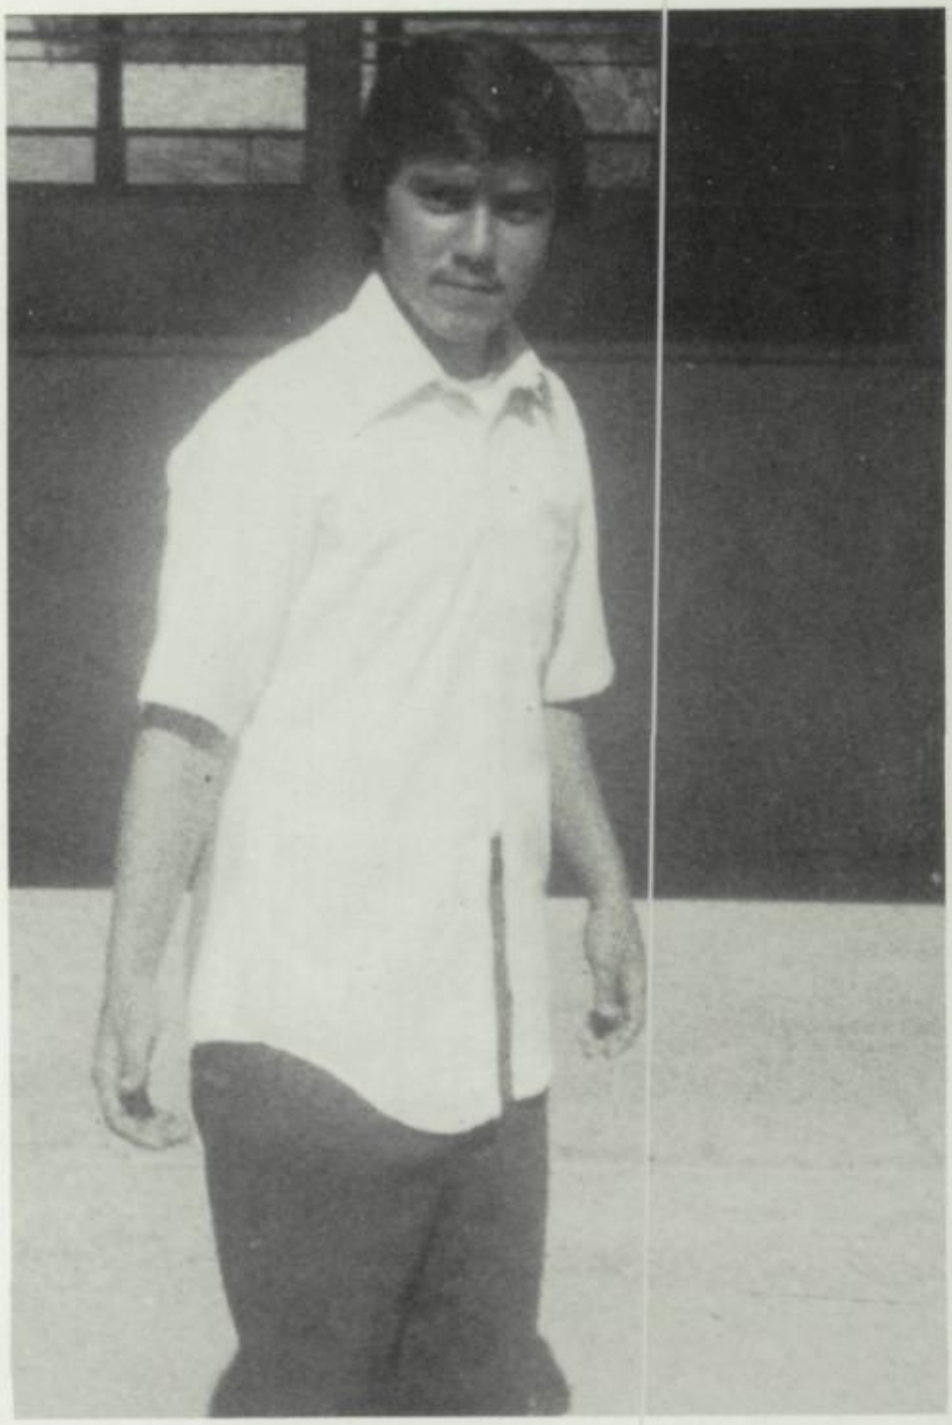
SOPHOMORES

UNFORGETTABLE . . .



As we continue on with our lives we are aware of an emptiness, the feeling that someone very special is missing. Carlos Rios left us on Dec. 29, 1980. Too late we realize what a special honor it was to have known him. His smile and humor could always defeat our blue moods. He was charming, handsome, and easy to get along with. He lightened the hearts of others with his wit. Carlos Rios may be out of our lives, but his memory is alive and will never be erased from our hearts.

FRESHMEN

Many FRESHMEN were very uncomfortable their first few days at CV, but as the minutes, hours, and days went by, they felt more at ease and began to enjoy student life.

The FRESHMEN class had a very large amount of school spirit. During Spirit Week, many enjoyed dressing up as their favorite cowboy or monster. Thanks to the unity of the FRESHMEN, they won the Battle Cry competition.

Class activities during this special week include face painting and tug-of-war.

By the time spring came around, FRESHMEN were feeling more confident in themselves. After all by September, they would no longer be FRESHMEN but experienced sophomores.

Being initiated into band is the most embarrassing moment for Cindy Gatlin and Yvette Martinez. Can anybody get in touch with a Mary Kay Representative?

SPIRITED CHEER LEADERS

Freshman Cheerleaders were a very dedicated group this year. Each girl had a special quality. The hard work these girls put into their cheers was obvious while they cheered during the Freshman games.

They worked well under the supervision of Ms. Fain, their advisor. Clockwise: Sue Ellen Carmicheal, Patty Avila, Maria Betancurth.

Caught ditching before the "Big Sweep Up", were Freshmen Tony Young, Mike Lerma and David Franco. Strolling the C.V. halls is much more fun then being in class and working.

DITCHING HURTS FRESHMAN CLASS

"Freshmen are usually recognizable because of their immaturity in the classroom and on campus. They often find it difficult to handle the freedom that comes with high school. Consequently, "they lose credits because of cuts", expressed a counselor at C.V.H.S.

Coming from four junior high schools, many freshmen lost school credits under the variable credit system due to absences and tardies. The seven minutes between classes often didn't seem long enough for frosh, who were eager to socialize after class.

SCHOOL ADMINISTRATION

Running the school, Advising the students, Dealing with everyday discipline problems. Assisting in the planning of student body activities. All of this is involved in being on the Administrative staff. Between planning graduation, dances, assemblies, and other activities and finding responsible alternatives for unruly students keep the Administrative staff busy. Having the responsibilities of the school and the students well-being on your shoulders is a job in itself, although this is just a small portion of what the principal does.

ARAB FACULTY

Clever bunch . . . that ARAB Faculty. They spend time getting to know the students, helping them to learn the way, trying to get the point across showing concern for personal problems, and supporting the interests of all ARABS.

Pretty clever of them while at the same time, they challenge minds and touch each student in many ways . . . and most of the time, we even like it. Yes, this is a pretty clever bunch.

Guillermo Mendoza, Band Director Department Head

In your role as teacher, what has given you the greatest pleasure or satisfaction?"

Observing the students succeed or discovering something new on their own is a great source of pleasure. Liken to a flower being opened by sunlight."

Marina Frank, Head Librarian

"What has given you the greatest pleasure or satisfaction in your role as teacher?"

"Coming to CV, of course!

Joyce Criner, Art
Department Head

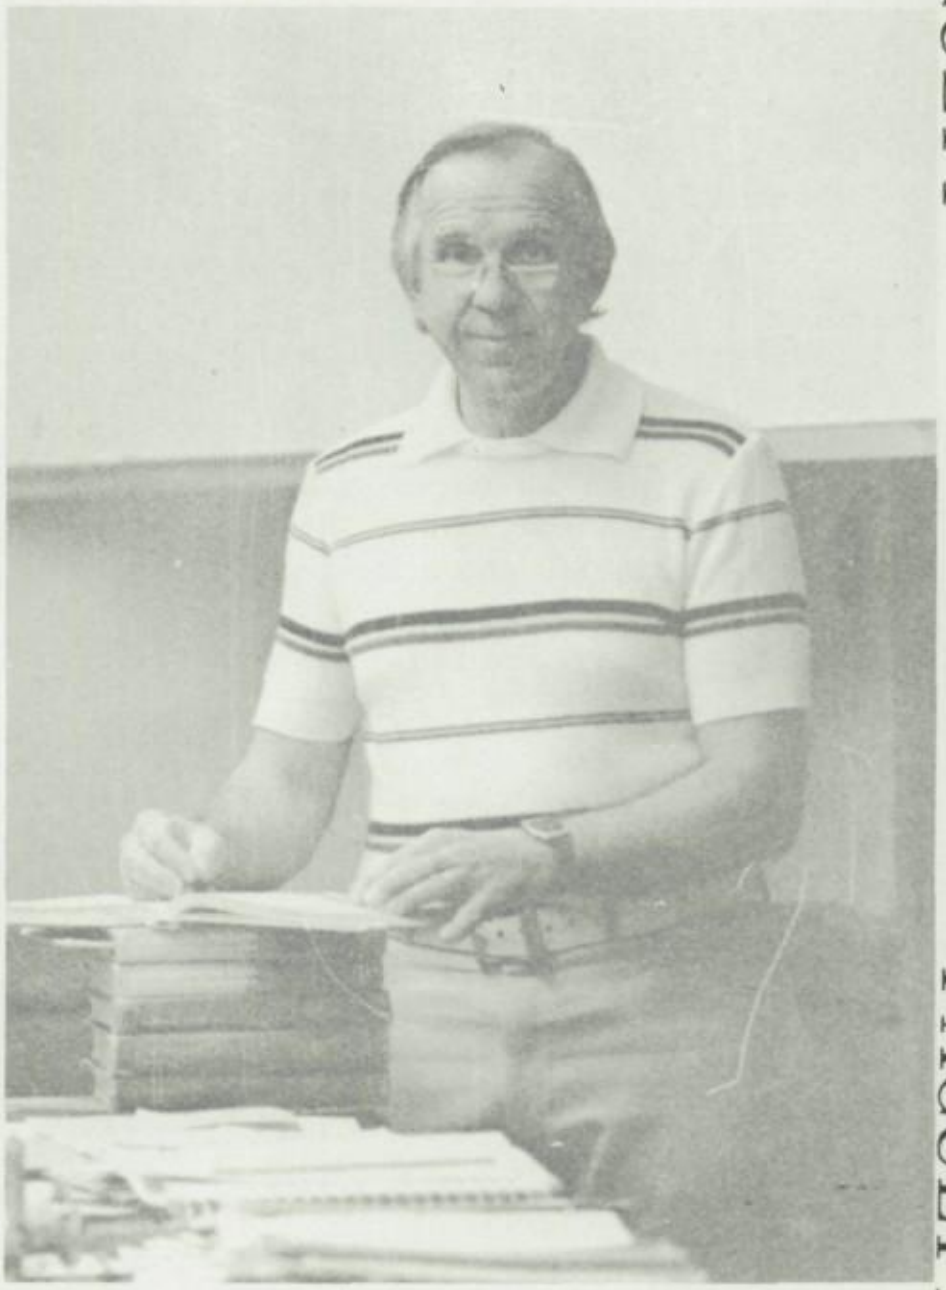
"In your role as teacher, what has given you the greatest pleasure or satisfaction?"

"I have received satisfaction from the great art work produced."

John Strom, Science

"When your teaching day is done, what is your most relaxing and enjoyable activity?"

"I enjoy developing and establishing an environment that is *challenging!! There are limitless numbers, involving people who are creative.*"



FACULTY

Myra Bird, English, Reading

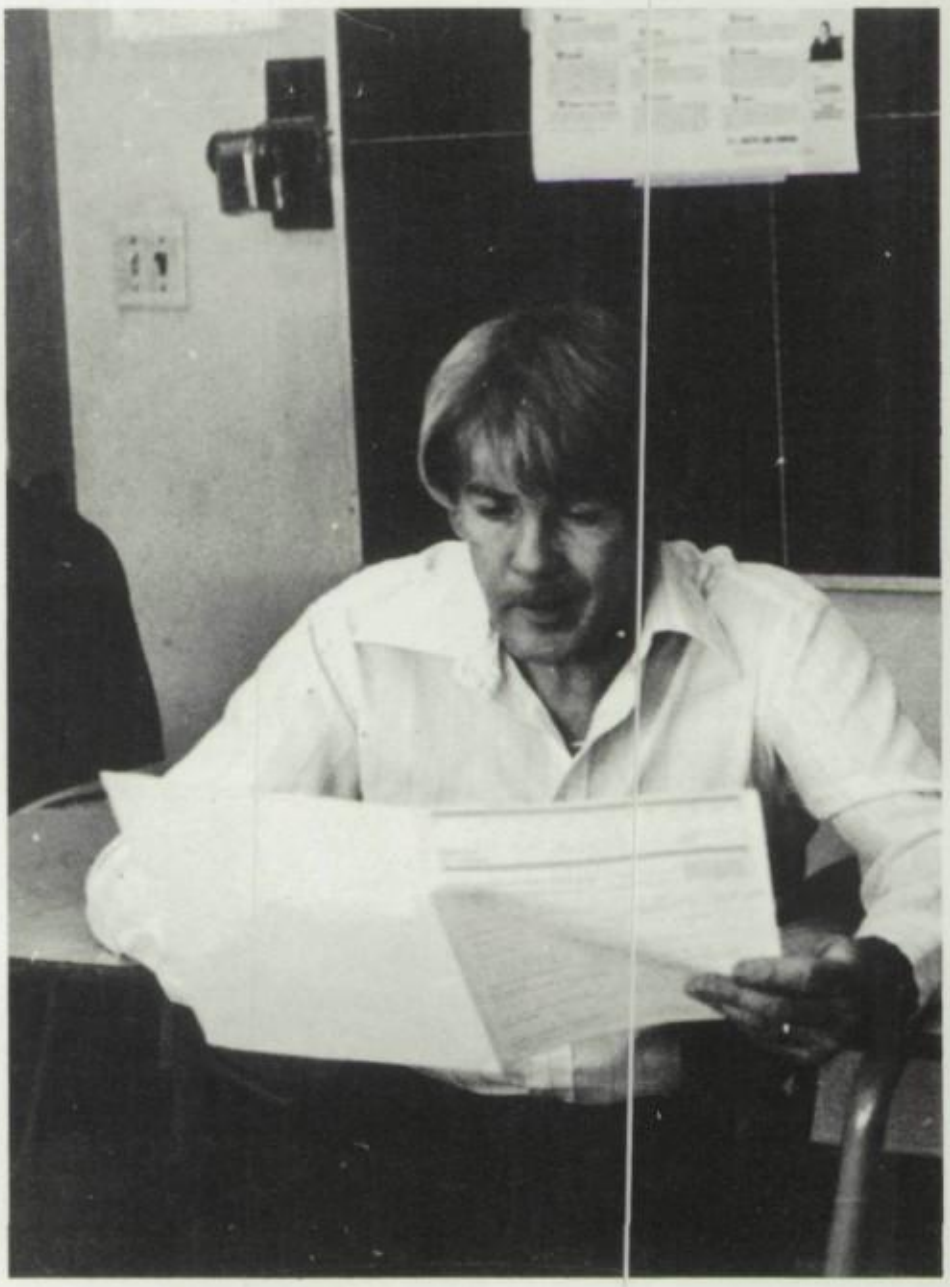
"What is the most difficult aspect of teaching?"

"It is difficult for me to understand why some students are not excited about learning. Motivating these students is the most challenging aspect of teaching."

Les Larson, Math

"When your teaching day is done, what is your most relexing and enjoyable activity?"

"It depends on what kind of day I've had with students. If it is a good day, I like to sit and think about the next day's work. If it was a bad day, I go home and work hard in the yard."



Larry Hoffman, English

"What characteristic or quality do you admire most in a student?"

"I admire a smile as bright as a spring day."

"In your role as teacher, what has given you the greatest pleasure or satisfaction?"

Nona Joyce Lynn, English, Publications

"I receive professional satisfaction when a student works very hard to improve himself. This alone makes all of the long hours and personal sacrifices a teacher makes for her students become more rewarding. I see much talent at CV; I only wish the students believed more in their abilities."

FACULTY

Joan Beasley, English and Reading

"What has been the high point of your career at CV?"

"The pleasant personalities of CV's students continue to be a reason to smile each day and are by far the high point of my teaching career."

John Florez, ROP Auto Body

"If you were to leave teaching, what profession or occupation would you prefer?"

"I would probably become a forest ranger or game warden."

Marge Freeman, Business and English

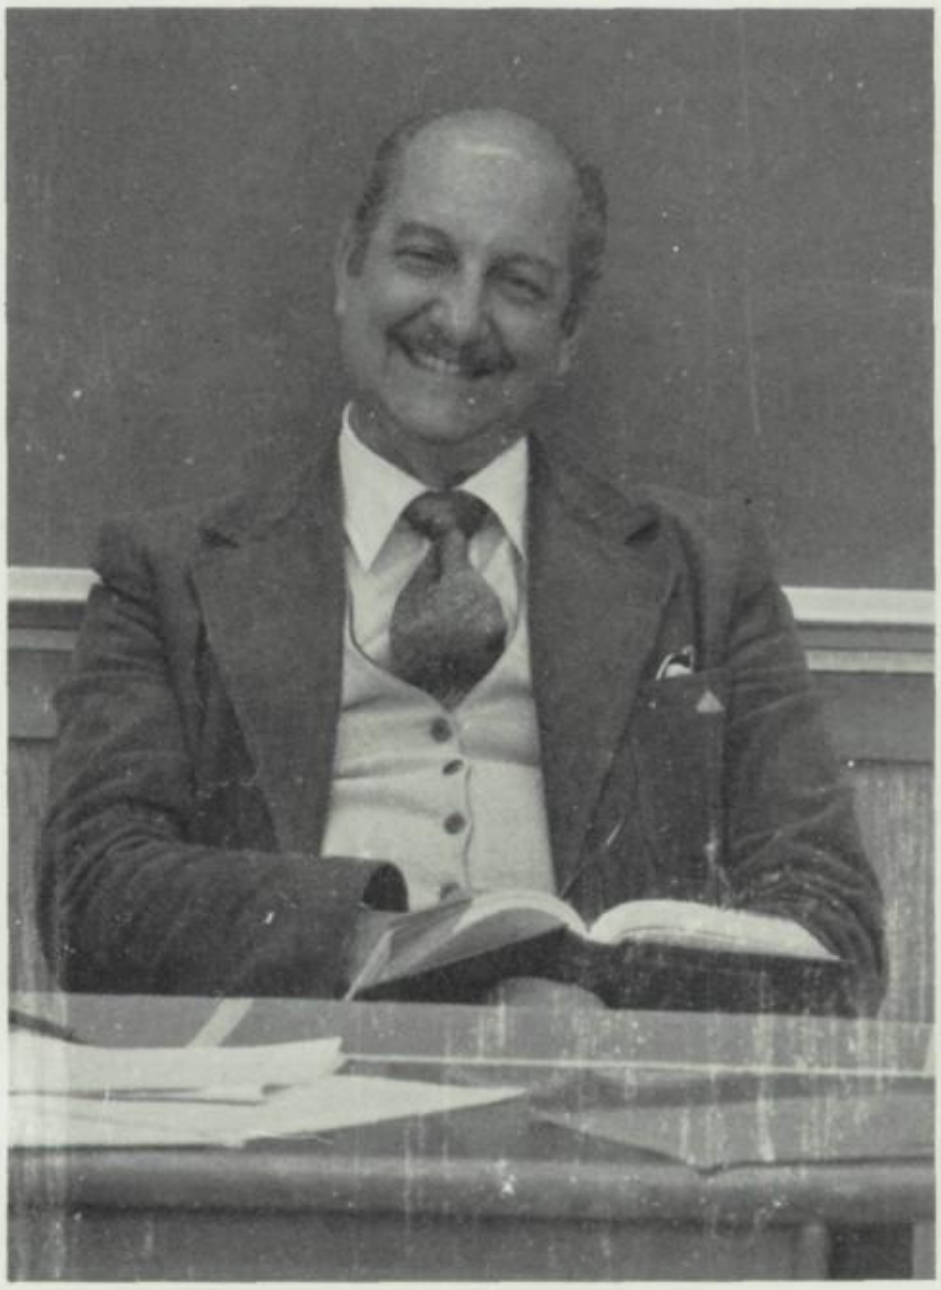
"What has been the high point of your career at CVHS?"

"The high point of my CV career is the graduation ceremonies, mainly the class of '81."

Dr. Santiago J. D. Fernandez,
Foreign Language

"What has been the high point of your career at CVHS?"

"The high point of my career at CV was when the government of the United States gave me letters of patent for my method of teaching languages, THE TUTOR SYSTEM. This is presently the only teaching method using books protected by a patent."



FACULTY

Mario Gomez, Bilingual — E.S.L.

"When your teaching day is done, what is your most relaxing and enjoyable activity?"

"My most enjoyable activity is playing musical instruments."

Kent Braithwaite, English

"What characteristic or quality do you admire most in a student?"

"I admire the persistence at getting me to fill out yearbook surveys."

FACULTY

Midge Rodier, Girls' PE

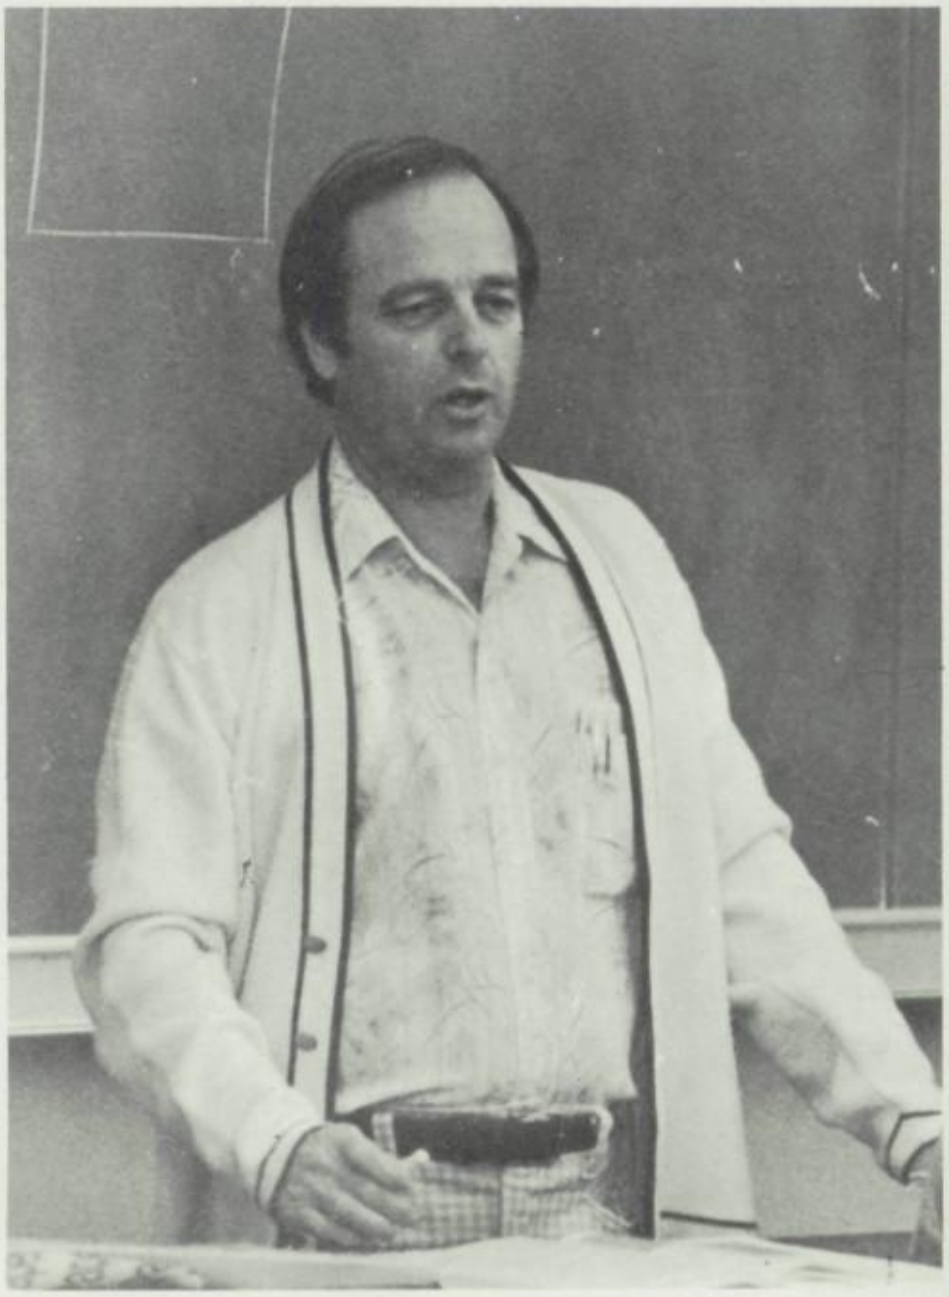
"What characteristic or quality do you most admire in a student?"

"I admire the desire to learn."

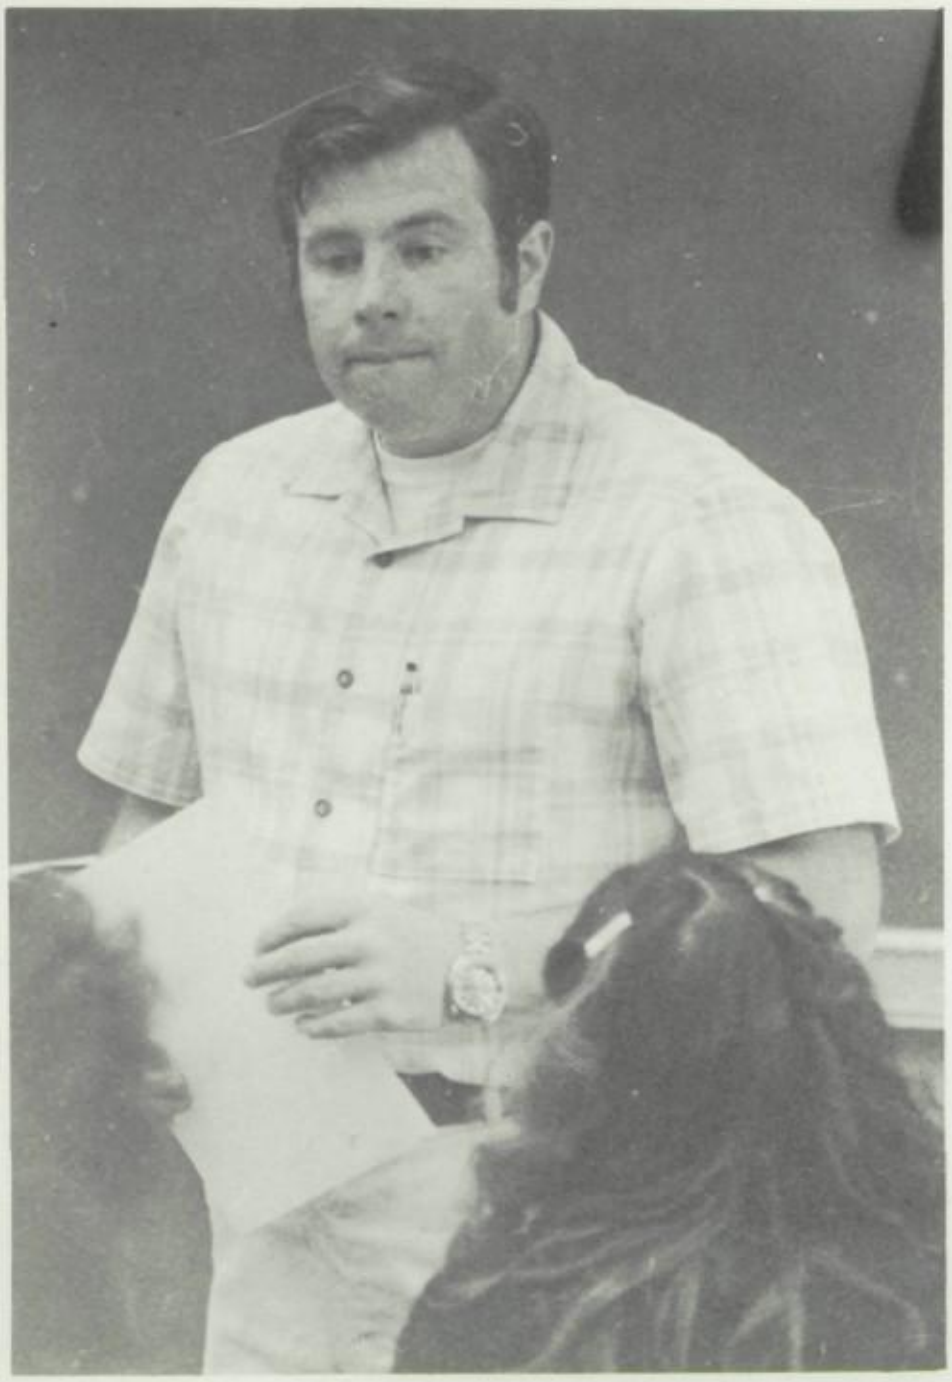
Wayne Myers, Math
Department Head

"What is the most difficult aspect of teaching?"

"I think dealing with the relative immaturity of an increasing number of students is the most difficult aspect of teaching."



FACULTY



Reid Wagner, English

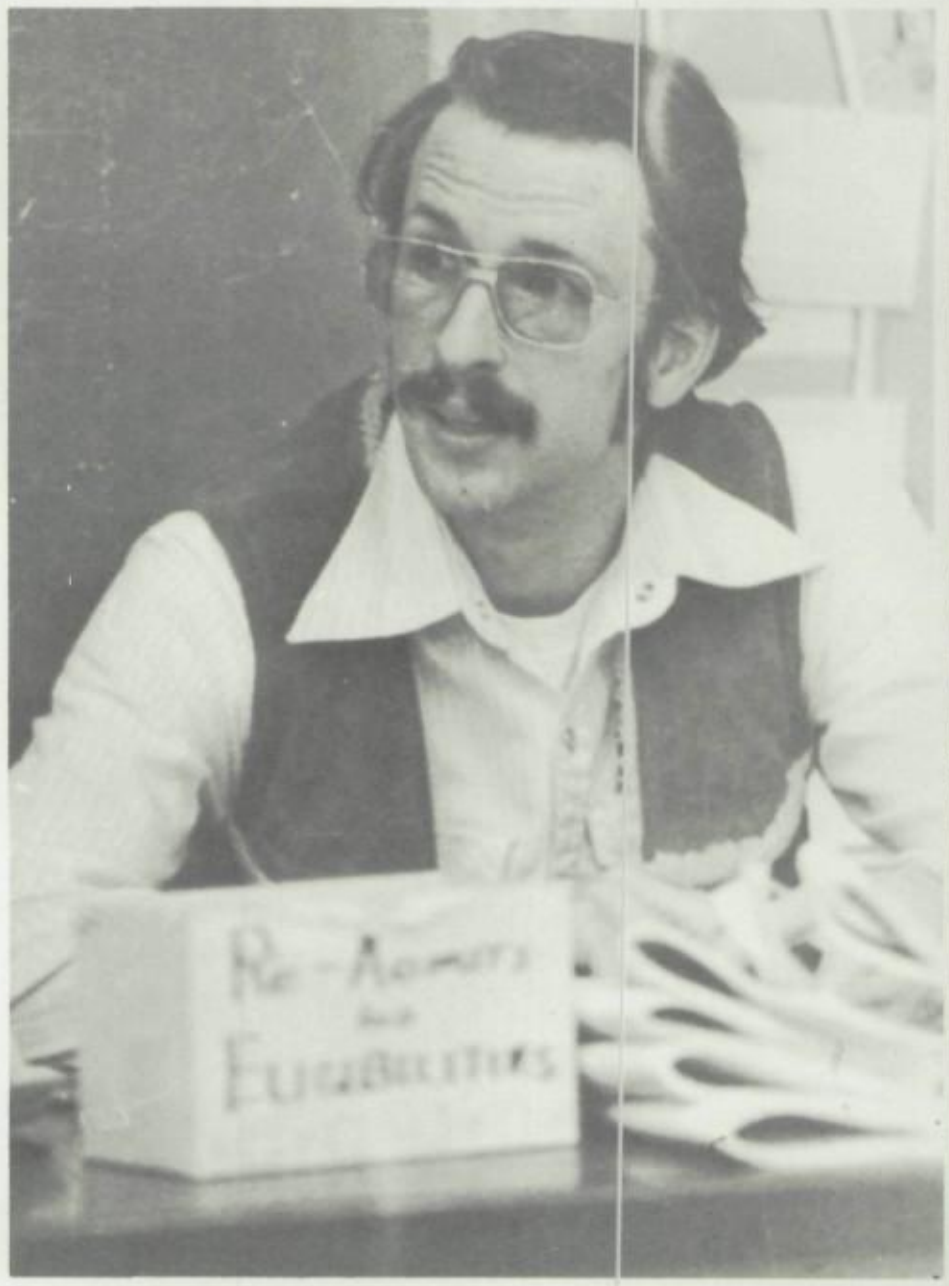
"If your were to leave teaching what profession or occupation would you prefer?"

"I would prefer international banking with Bank of America because I have a B.A. in Business Economics and I am fluent in Spanish."

Paul Klopfenstein, Science

"When your teaching day is done, what is your most relaxing and enjoyable activity?"

"Depending on the day and the weather, it would be to read, garden, or sail. But whatever it is, I most enjoy it with my family."



FACULTY

Dr. Rose Freiborn, English, Psychology

"What characteristic or quality do you admire most in a student?"

"I admire honesty and integrity."

Delor Bombardier, History and Photograpy

"When your teaching is done, what is your most relaxing and enjoyable activity?"

"I enjoy working another 6, 8, 10, 12 hours on yearbook."

FACULTY

Roberta Hawkins, English

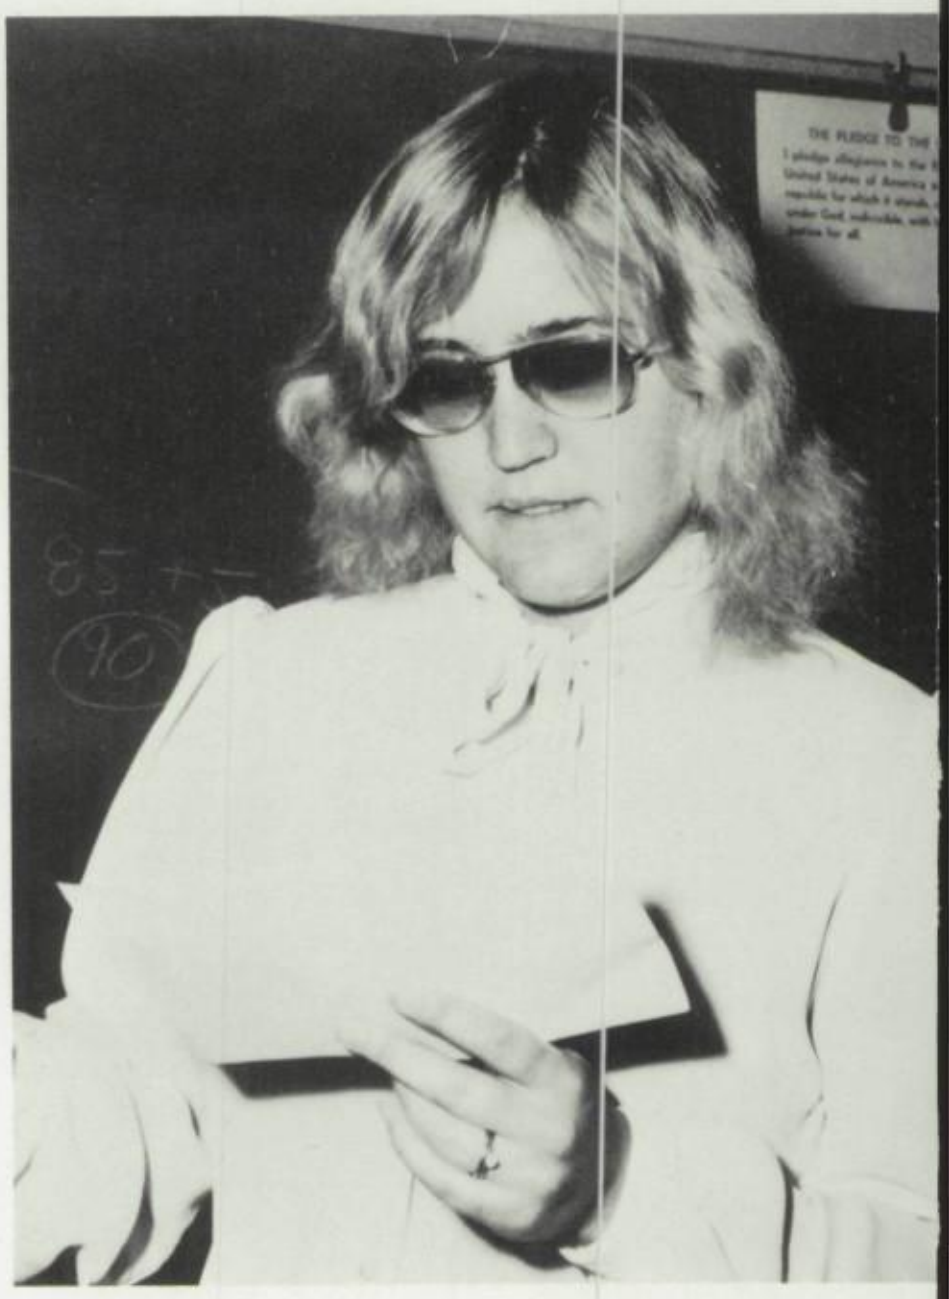
"What characteristic or quality do you admire most in a student?"

"I admire a curiosity about life and a drive to satisfy this curiosity."

Robin Braithwaite, Business Education

"What has been the high point of your career at CVHS?"

"The high point of my career at CV has been posing for this picture."



Teresa Trenshaw, Bilingual Math

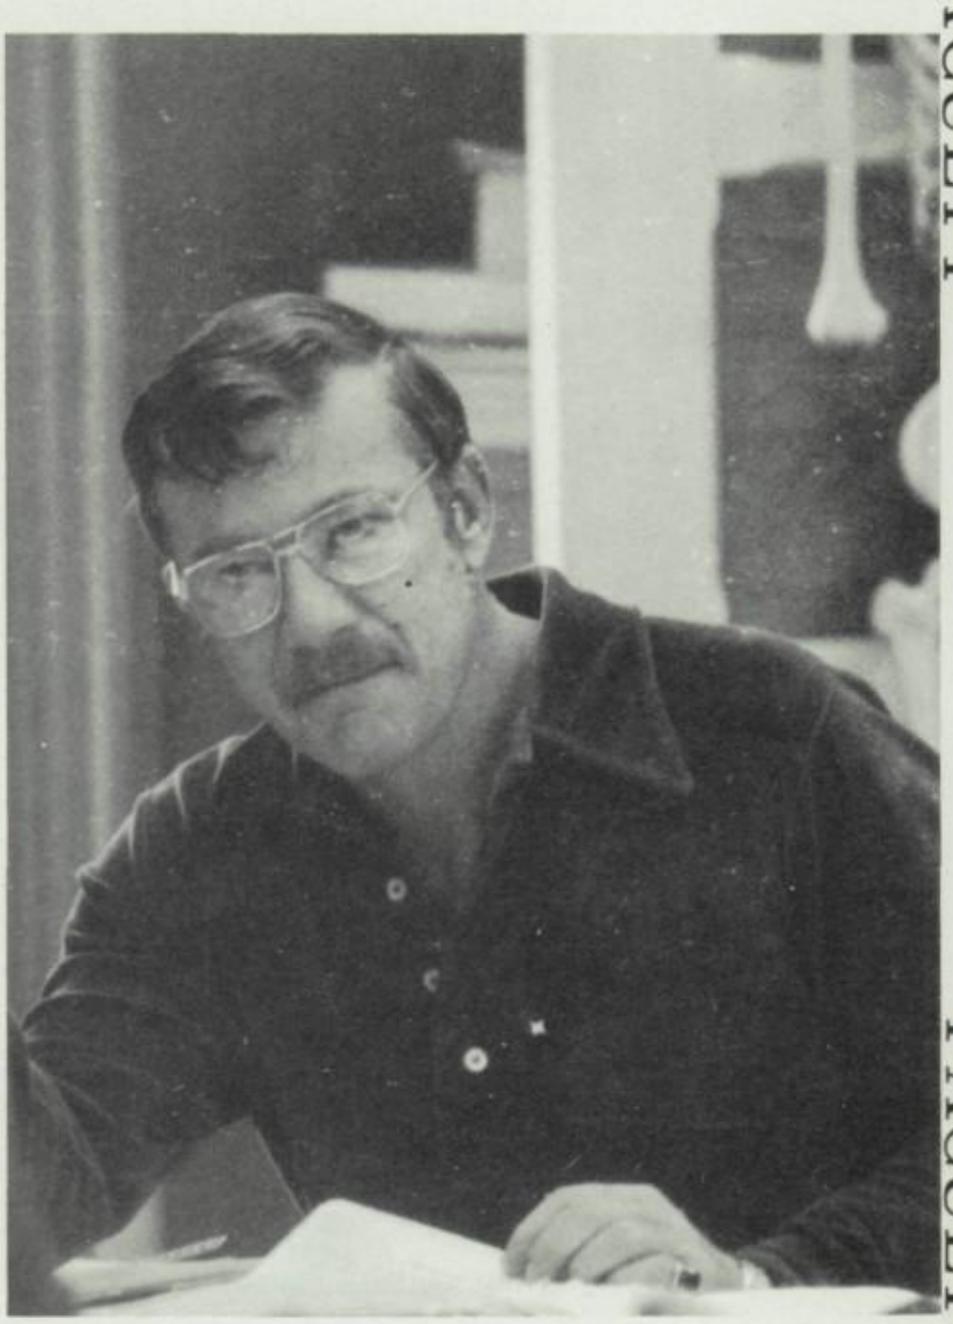
"What has been the high point of your career at C.V.H.S.

"There are two — helping students pass proficiency tests; seeing old friends grow up beautifully — it lights up my life."

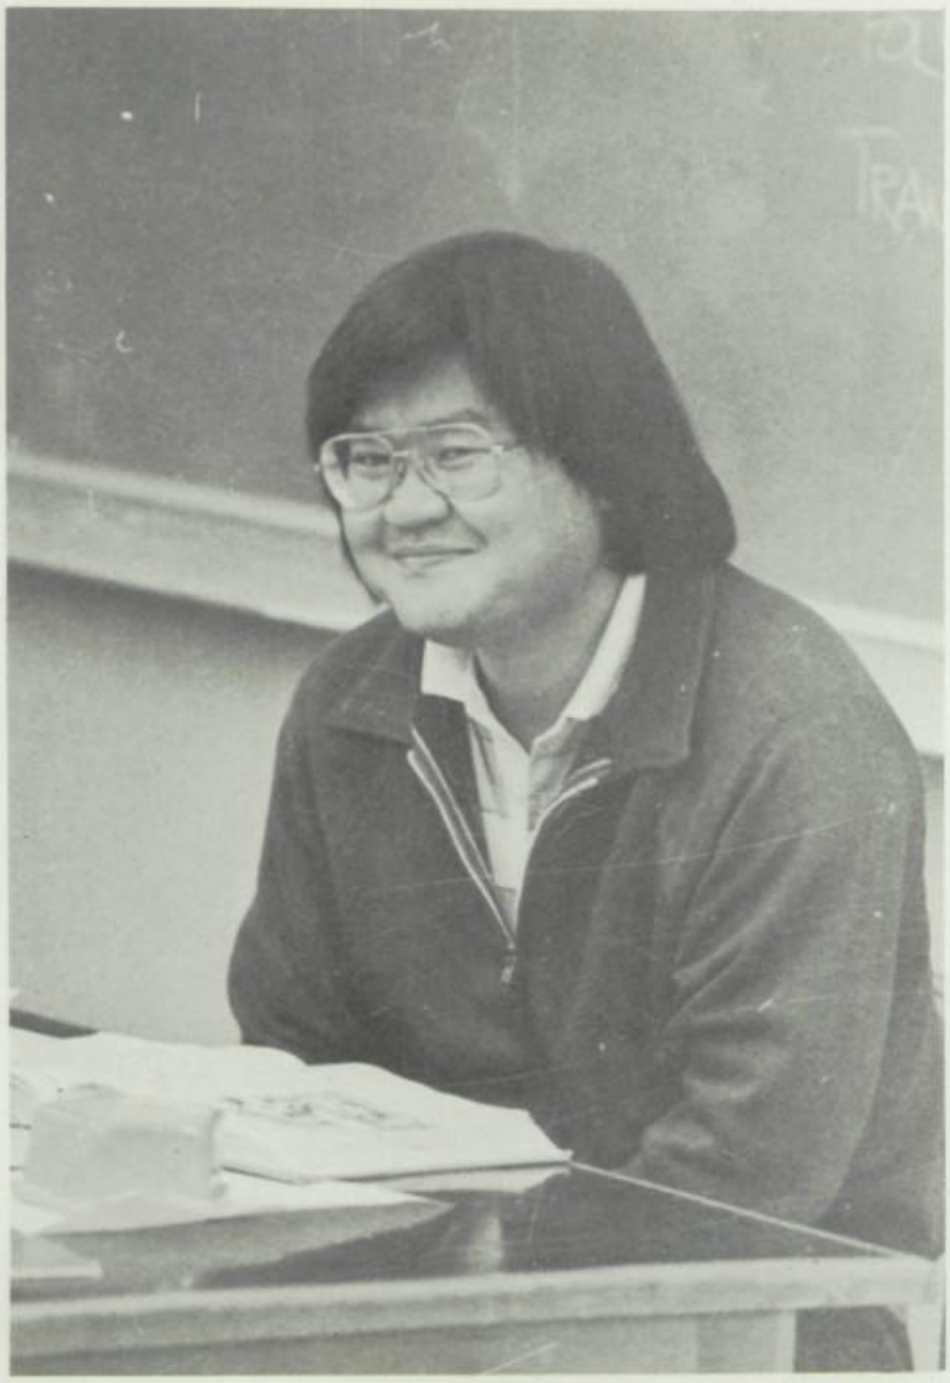
Ed Duffy, Biology

"What characteristic or quality do you admire most in a student?"

"Integrity" students that are honest with themselves and others; willing to take full responsibility for their actions."



FACULTY



Doug Hashimoto, History

"What characteristic or quality do you admire most in a student?"

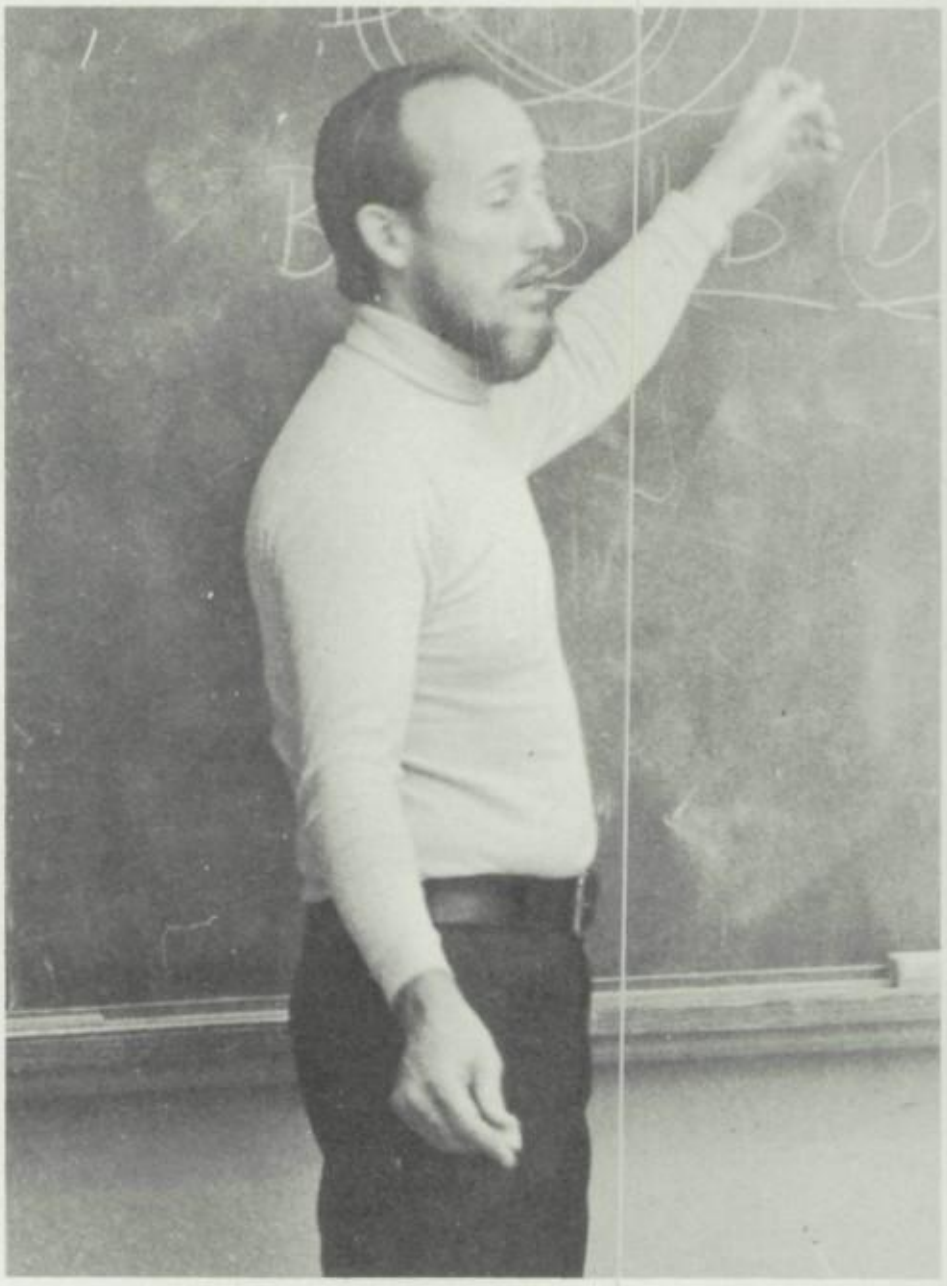
Doug Murphy, Science

"If you were to leave teaching, what profession or occupation would you prefer?"

"I would enjoy being a park ranger in the mountains."



Jeff Kritzer, Special Education

"What is the most difficult aspect of teaching?"

"Having a student or athlete realize his or her potential is the most difficult aspect of teachi. . Providing the motivation for this is one of our greatest challenges as teachers and coaches. This goes hand in hand with eliminating the many barriers to success and learning today's students encounter."

Steve Granik, Ceramics

"When your teaching day is done, what is your most relaxing and enjoyable activity?"

"My most enjoyable activity is playing a solid set of tennis."

FACULTY

Lee Otto, History

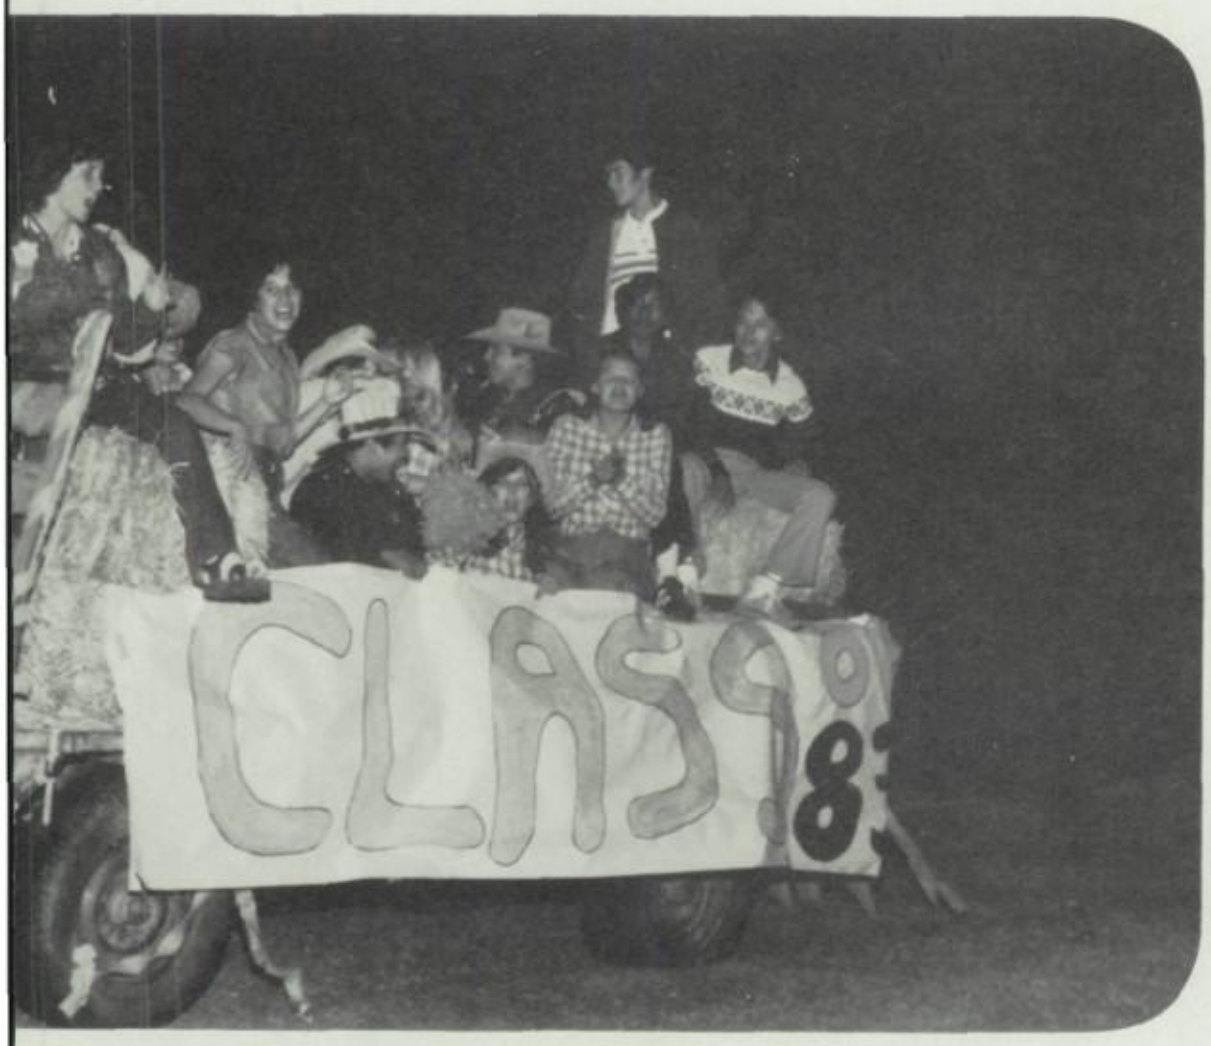
ACTIVITIES



HOMECOMING 1980

Senior Linda Otton was really surprised when her name was announced as the 1980 Homecoming Queen. After a ride around the football field in a sporty Corvette, Linda was escorted by her father for crowning by last year's queen, Anna Franco. Other CV fathers proudly escorted their daughters for the presentation of roses.

Although Palo Verde tried to ruin the evening's festivities by downing the Varsity, ARAB pride prevailed and Homecoming 1980 will be remembered for a long time.

HOMECOMING HOMECOMING HOMECOMING

As usual the ARAB Marching Band delighted the crowd with its meticulous performance led by drum major Albert Singleterry under the direction of Mr. Guillermo Mendoza. Pretty girls, pretty cars, and pretty cakes culminate the week-long celebration called Homecoming, 1980.

Making a pretty picture, in their party best, the 1980 Homecoming Court surround King Robert Lopez and Queen Linda Otton. From left to right are Javier Avila and Rosemary Bazua; Henry Hernandez and Kim Loutsenhizer; the King and Queen; Laura Skates and Ramon Alverez; and Debbie Bohne and Rutilio Brito.

HOMECOMING HOMECOMING HOMECOMING

Leading off the first dance was the 1980 Homecoming King and Queen, Robert Lopez and Linda Otton. Soon other couples were swaying to the smooth sounds of the popular group, NEW IMAGES.

Lunch and beautifully decorated cakes helped everyone forget the disappointment of losing the Varsity football game to rival Palo Verde.

BIBLE CLUB

The Bible Club was established to teach students to use the Bible as a history book and doctrinal study. The club was revitalized this year after some time of inactivity.

At each meeting the club studies scripture and verses, and discusses how they are all applied to everyday life. This club is teaching students to study and appreciate the Bible.

Bible Study Club Advisor, Ben Lopez, often helps students like Sr. Greg Juarez to interpret Biblical Scriptures.

ADELANTE

New clubs do not spring up very often, but 1980-81 saw Adelante emerge on C.V.'s campus. Dedicated to promote bilingualism and foster an appreciation of a multicultural environment through arts and crafts and fellowship. Club advisors Ms. Brickford, Ms. Trenshaw and Mrs. Heredia have worked hard to build membership.

From selling baked dough Christmas decorations to popcorn, car washes to collecting aluminum cans, Club revenue will allow members to take a trip to learn about the beauty of California.

A.F.S.

American Field Service, or AFS, is the organization that provides the funds necessary to bring foreign exchange students to C.V. This year, due to lack of money, there were no AFS foreign exchange students here. Motivated by this fact, the members of AFS held dances, bake sales, and car washes, as well as car-parking at the Date Festival, with the initiative being to make it possible to have an AFS student for '81-'82.

N.F.L.

One of the oldest clubs on campus is the National Forensic League, a speech debate club. Their aims are to provide students with self-confidence which enables them to speak in front of large groups of people. This year the club decided to change their name and become the N.F.L. Ghost Chasers. When asked why the Ghost Chasers was added on, Mr. Casper replied "Because I'm Casper the Ghost and they chase me."

The clubs participation in various speech tournaments, locally and statewide, proved to be victorious. N.F.L. President Robert Vega earned a variety of plaques and trophies for his club this year for performances at different speech tournaments and colligeate invitationals.

The Club spends the money raised during the year for the production of the C.V. High School play.

GIRLS' VARSITY

Few clubs are non co-ed. The Girls' Varsity Club is one of them.

To join the club, girls must have earned a certain number of points in athletics, enabling them to wear a varsity letter. The girls must also go through a secret initiation ceremony, similar to that of the Boys' Varsity Club.

Other similarities to the Boys' Varsity Club are some fund raising activities like selling cokes and popcorn at the snack bar during home wrestling matches, volleyball, basketball games inside the boys' gym.

Club members put on the annual spring Sadie Hawkins Dance. Many girls look forward to this event because it is traditional for them to ask their fellows for a date.

FUTURE FARMERS OF AMERICA

The Future Farmers of America (FFA) is a club that gives vital experience and knowledge plus the added fun of working with animals and agriculture.

Students learn the basis of raising swine, sheep, and cattle which may be enjoyable and profitable.

Students in agriculture study farm machinery and engage in cultivation of a number of plants and crops at the school's greenhouse and farm.

GIRLS' CLUB

Girls' Club Officers and their advisor, Mrs. Frieborn, were very busy this year. They planned one or two different money-raising projects every month. From selling tickets for at turkey drawing in November, to making and sending out X-mas Grams in December, to parking cars at the Bob Hope Desert Classic in January, the girls kept busy. In May, the club sponsored the annual Pink Day where every senior girl wearing pink gets a pink carnation and a pink ice-cream cone.

GYMNASTICS CLUB

Ever since Olga Korbut and Nadia Comaneci pulled their famous moves on the '72 and '76 Olympics, Gymnastics Fever has spread, causing an epidemic of clubs to spring up worldwide. A direct product of gymnasticsmania, C.V.'s Gymnastics Club's main purpose is to raise funds to provide equipment, uniforms, an gymnastic camp training sessions for the gymnastics team. Officers for 1981 were Martin Gamez, Lucie Gonzalez, Diana Monroy, and Wendi Hollander, who were, respectively, President, Secretary, Vice President, and Treasurer.

MATH CLUB

There are very few clubs whose names have little to do with the activities in which they participate, yet such a club exists at C.V. The Math Club at Coachella Valley High School takes part in many diverse functions, with the main objective being not to learn Math, but to help students have a better idea of where their futures lie. The Math Club took various trips to colleges such as Harvey Mudd, in Claremont, and visited universities such as UC Irvine, with the goal of aiding its members in deciding where to further their education.

Many meetings of the Math Club were spent discussing the Campus Clean-Up project which they put into action.

ART CLUB

What club paints on students' faces? The Art Club does, on Halloween that is! Halloween face-painting is one of the many activities of the Art Club. At Christmas time members of the Art Club can also be found painting on windows all over campus. This not only gets everyone in the holiday mood, and is done very professionally, but it's also free.

An annual fund raising event for the Art Club is the St. Patrick's Day drawing which, luckily, brings in "a lot of green."

SPEECH CHAMPS ROBERT VEGA, KIM BRIDGEWATER AND JOANNE MURRAY

Three ARABS have gained community recognition as well as trophies and cash scholarships for their outstanding speech talent.

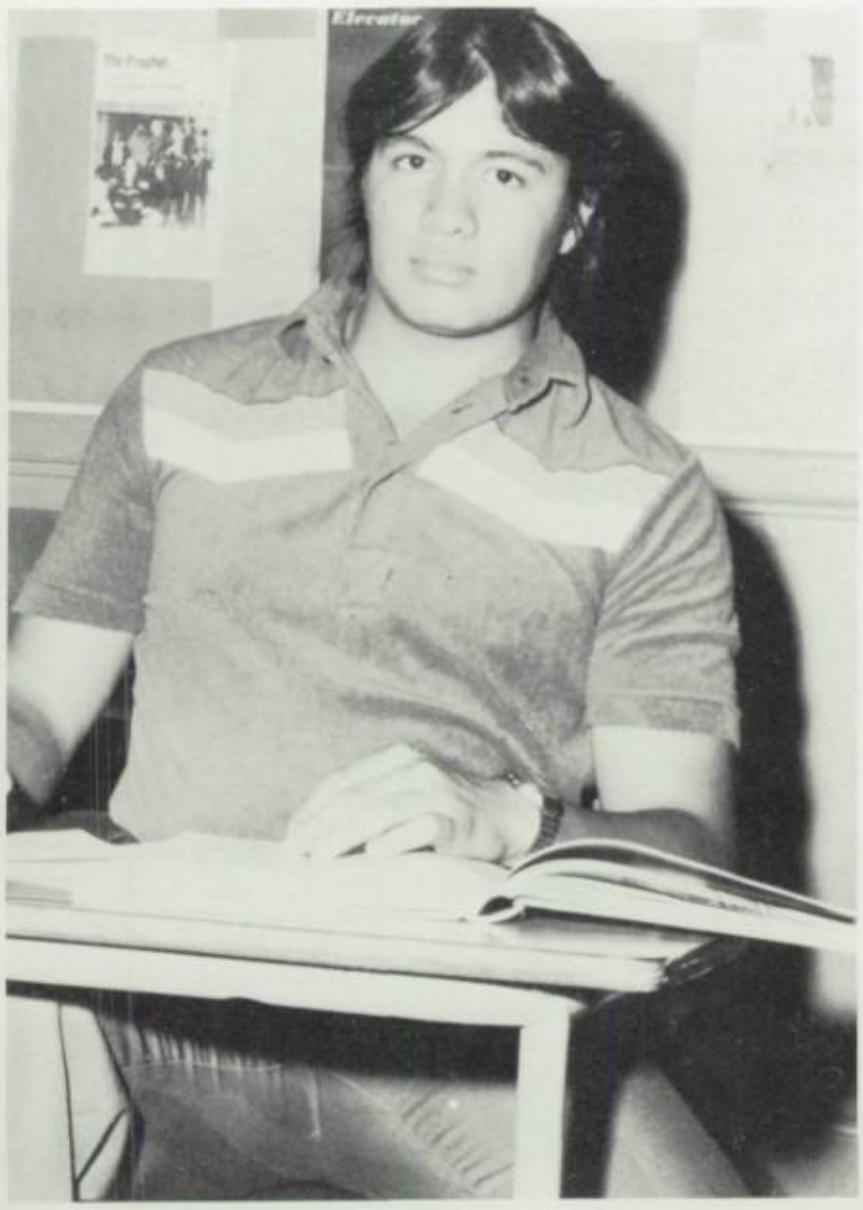
Under the direction of speech teacher Bill Casper, these young orators have been winning all year, and are expected ot continue.

Senior Robert Vega won the Lion's Club Award. His topic was My World My Answer, an essay about the Chicano's place in the world.

Kim Bridgewater, a C.V. sophomore, placed first in the district in the Voice of Democracy speech contest. Sponsors were the Vet's of Foreign Wars. His topic was **My Commitment To My Country**.

Junior, Joanne Murray competed in the Rotary Contest speaking on The Four Way Test.

Each student won cash awards.



Top academic student in the senior class is Primitivo Cervantes. Carrying a near straight A average (only 2 B's in 4 years). Primitivo is the recipient of the Gemco Scholarship and the Bank of America Award in math and science.

Giving credit to his father for encouraging him to do well in school, Primitivo also remembers his middle school teacher, Mr. Wolpe as being instrumental in his being a good student. Primitivo plans to enter Cal State Long Beach to study either engineering or business.

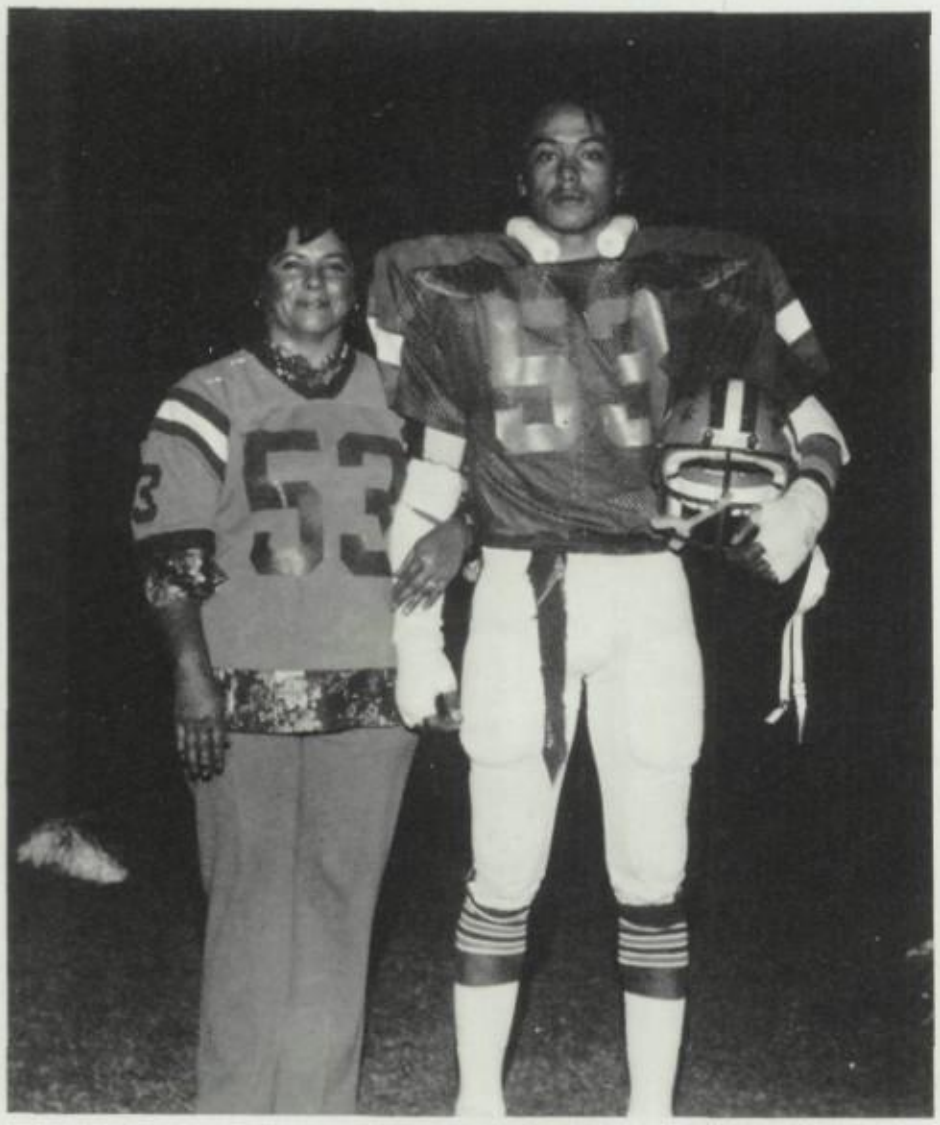
JAIME MONTENEGRO CHAMPION BODY-BUILDER

C.V. Senior Jaime Montenegro started body building four years ago to overcome an inferiority complex. Believing he was too undersized for his age, Jaime began a vigorous program in diet, exercise and psychological training. In four years, he has grown from 98 to 170 lbs.

In 1980, Jaime won second place in the Mr. Desert Empire Body Building Contest, teenage division. The next contest is in 1983 and Jaime has begun his mental and physical training. He plans to be number one.



Junior Tony Lomboy, who plays Varsity football for the ARABS, was chosen Most Valuable Player in the Valley League. He was also chosen All Desert Valley League and second in C.I.F.

He played three years for the ARABS as a middle linebacker.

When he graduates he would like to go to college and plan his career as a California Highway patrolman. Tony is pictured with his mother, Mrs. Carmen Lomboy.

MISS COACHELLA
ROSEMARY CABRERA

Each year the Coachella Chamber of Commerce sponsors the Miss Coachella Pageant. Girls between the ages of fifteen through twenty are invited to compete. The 1980-81 Miss Coachella Pageant was won by Rosemary Cabrera. Her duties are to represent Coachella at civic functions.

MY PRAYER

God is my Father,
I am His child;
When I pass my friends,
I turn to them and smile.

Jesus is my Savior,
How I love Him so;
The stars shine so bright,
When the moon is turned down low.

You are my brother,
In Christ we'll be forever;
The love we share,
Will keep us together.

When I speak to you,
I speak to you in prayer;
I can feel you pass through me,
As the coolness of the air.

"God, I know I've done wrong,
Please, Lord, help me to be strong.
Guide me through the day,
Help me through the night;
That I may teach others,
To do what is right.
Lord if you hear me at all,
Will you please answer my call?
When I kneel in prayer,
Please answer, it's only fair."
Amen.

When my time has come to the end,
In heaven I must be with my friend;
There I will live eternally,
Forever in Heaven I will be.

I have had my fun on earth,
And all my deeds are done;
My friends will say sadly "So long,"
And on will shine the sun.

1981 DATE FESTIVAL:

ARAB students captured many honors at the National Date Festival. The Festival gives a chance for students to display talents. The Art Club creative works for judging while the F.F.A. — shows their wares of livestock and farm machinery. The ever popular ARAB Marching Band treats us all to a quality display of color and showmanship.

As they do every year, the F.B.L.A. float placed honors, winning a Blue Ribbon.

OUR WORLD

Our high school years are filled with problems and anxieties. We quickly forget the situation in and around the world. The death of John Lennon and Peter Sellers touched us all. Worldwide tribute was given to the famous and outspoken Lennon.

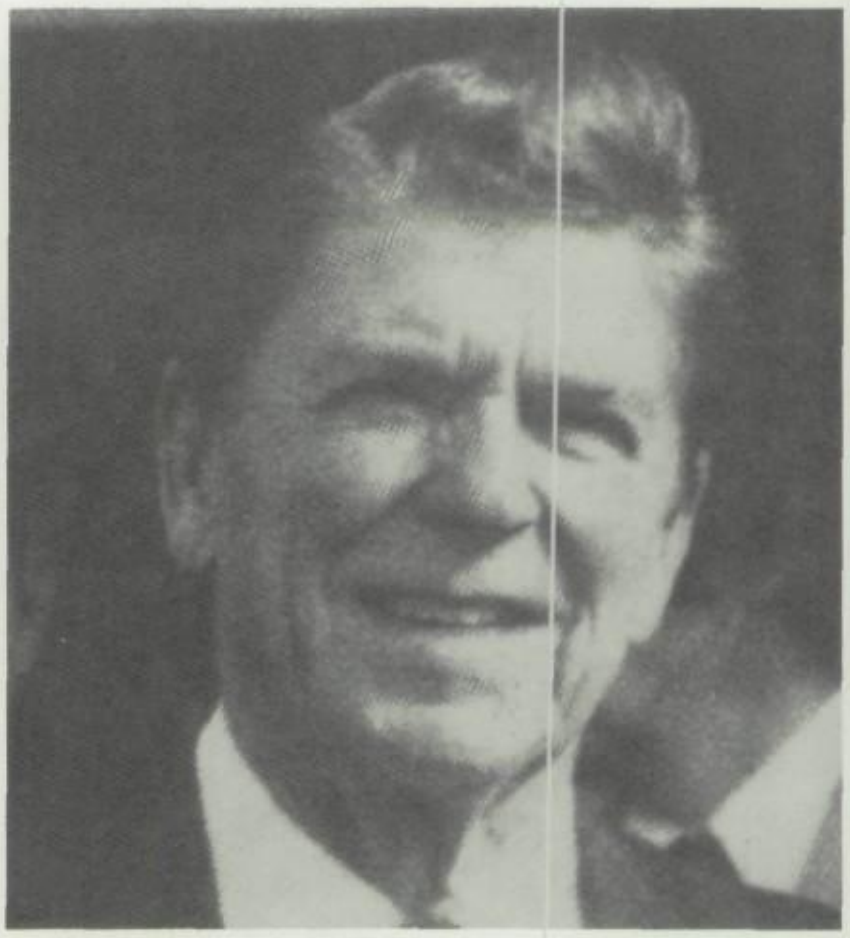
This new year brought in a new President and hope for the future. Ronald Reagan took office with his controversial economics plan that called for severe cutbacks.

John Paul II, the first non-Italian pontiff ever, trekked around the world bringing peace and love to us all.

Tragedies were numerous this year. There was a tremendous fire in Las Vegas at the MGM Grand Hotel which seemed to be the start of many more blazes around the city. An earthquake in Italy caused death and destruction to the Italian people. Mt. St. Helen kept on erupting through the year which gave much data to the scientific world.

America's pride was partially restored when our countrymen were released from being hostages in Iran. The ex-hostages were welcomed home by numerous celebrations in which the American public showed their admiration for the courageous men and women.

Pope John Paul II, seen here speaking with Pres. Joao Figueriredo of Brazil, is making history with his many travels around the globe.



Movie star made President, Ronald Reagan, locks with enthusiasm at the future.

◀ Top Left: Mt. St. Helen gave us all a look at the destructive forces of mother nature.

LA CONCHILLA: 81

It was a hard act to follow, Jim Bellomo was a popular and knowledgeable yearbook advisor. Yearbook 80 was a beautiful piece of effort receiving a second place rating from Columbia Scholastic Press Association.

For a first-year advisor, many unforeseen problems arose which will be prevented in the future. However, Yearbook 81 is proud of this book, finding it a learning experience for everyone. Students did everything from photography to layouts, to developing and enlarging their own prints.

Much help was given by many friends and Yearbook 81 would like to acknowledge their patience and assistance.

Most of all, credit goes to the C.V. faculty and students for allowing us to put out a book for them and giving us a chance to find out our strengths and weaknesses.

C.V. Photography teacher, Detlor Bombardier assisted the staff with his expertise and his wit.

Faculty member Steve Granik and former ARAB student Kelly Fisher took many pictures.

Taylor Publishing Rep. Jim Kimmitt displayed great patience with us.

Pizza Hut fed the staff many a night after those long sessions.

Judy Jones and Cary Criner of Indio High School Yearbook gave their aid and encouragement to a novice staff.

Alfred and Fabris, especially Ron Matsomato and his staff, bailed us out at the last minute.

A special thank you to our families for grinning and bearing it with us.

And last, but not least, to those *few* students on the staff who really understand the word committment. I say, "Thank you."

BASEBALL EUROPEAN STYLE

Five lucky ARABS traveled through Europe during the summer of 1980 and played a little baseball on the side.

Accompanied by Coach and Mrs. Walt Criner, ARAB juniors James Bazua, Frank Ceja, Martin Garcia, David Saldivar and Mike Wilson toured France, Germany, Italy, Belgium, England, Austria, and the Netherlands.

For three weeks the group visited such famous attractions as the Louvre Museum, the Arch of Triumph, Eiffle Tower in Paris, Buckingham Palace and Westminister Abby in London, as well as the Nazi concentration camp in Germany.

The baseball team was composed of boys from Indio and Palm Springs as well as C.V. Playing eight games thru Europe, the ARABS had a chance to play foreign teams and discovered that Europe is lagging behind American baseball.

After eleven years of reading and studying about Europe's unique places, these young men came face to face with the old world and can truly say "I came, I saw, I conquered."

Energy conservation is child's play.

It isn't all that difficult, really, to save energy. It can be as simple as turning off unneeded lights, taking shorter showers, running full loads in the washer and dryer, and making sure the pans you cook with are the same size as your burners.

Let's face it. Energy conservation is as important today as it was during the "energy crisis" several years ago. Energy sources of the future--nuclear, geothermal, solar--may one day solve most of America's energy problems, but until then, our resources will dwindle quickly if we don't use them wisely.

Conservation. It's the only way we'll have enough energy to meet the needs of tomorrow.

Died on Highway
86, April 23, 1980

Because the Lord is my Shepard, I have everything I need! He lets me rest in the meadow grass and leads me beside the quiet streams. He restores my failing health. He helps me do what honors him the most. Even when walking through the valley of death I will not be afraid, for you are close beside me, guarding, guiding all the way.

(Psalms: 23)

Emie
Hey hope you
have a very nice
and pleasent summer
hope see you sometime
around. All i got is one
more year to go. so i will
try to make it. I am very
glad you are all ready out
